

# Castle Hill School Council

## Forget-me-Not Trust Presentation

In January we presented a large cheque to the Forget-me-Not Trust.

## Fruit Week

In early March we held our sixth annual Fruit Week.

The School Council members initially met to make posters and to explore different fruits. Parents and carers attended 'Family Fruit Morning' and enjoyed sharing fruit together.

In December we held a planning meeting with Alistair to start the Eco-Schools Project. We walked outside and gave our thoughts on different areas of the school grounds, using 'I like' and 'I don't like' symbols.

At the end of March, we met again to plant wildflower seedlings at the top of school. We worked hard to place the seedlings in the holes and then to water them.

## Eco - Schools Project
