

Castle Hill School Council

Assessor Visits:

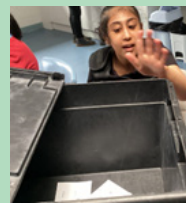

In the summer term, we were visited by two assessors, for our Gold Unicef Award, and our IQM Award. School Council members were involved in showing the assessors around our school.

School Council Elections

We held our School Council elections on 19 September.

Kirklees Council Electoral Services have now given us our own ballot box, after years of borrowing it! Each class nominated their School Council member, with many classes choosing a deputy, too. These pupils posted their voting slip into the ballot box.

Cauliflower Cards Fundraising

We are currently taking part in the Cauliflower Christmas Card Project for the eighth year running. Pupils have created artwork in class, which is being ordered by many parents, carers and staff, as cards, mugs or spiral notebooks, in time for Christmas.

This is our main fundraising event, and we usually raise around £120. As in previous years, we will spend the money on resources for all of our pupils to access.
