

Castle Hill School Council

Healthy Schools

Healthy Schools Award

As part of our work towards regaining our Healthy Schools Award status, some of our School Council members have taken part in a Learning Walk, visiting classes at snack time, and seeing how healthy the snacks are. We saw lots of communication, choice making, and eating of different fruits and other healthy foods in all of the classes we visited.

Castle Hill Cook Off

The School Council were invited to help judge the 'Castle Hill Easter Cook Off' competition. We very much enjoyed exploring and tasting all the different entries. We each had our favourites, but the winning class were Secondary 2, with their 'Carrot chocolate puds'!
