

# Castle Hill School Council

## Science Week

As part of 'Science Week', the School Council members voted for the names of the worms in our new Wormery, organised by Katrina. Examples of the worm names are: **'Eeee'** (EYFS2), **'Wiggly Woo'** (P4), **'Wilbur'** (S2) and **'Lala'** (AFA Sec/SF).

The School Council members also voted on the sticker design for the Wormery itself. The 'rainbow' design was chosen. The SC members will decorate the Wormery with the stickers.

## Inclusion Quality Mark

As part of our bid to achieve the Inclusion Quality Mark, School Council members were asked to show the assessor around our school. A member from each department helped to show Rachel around. She asked lots of questions and seemed very happy with what she saw.

## Fruit Week

We are starting to make plans for our annual 'Fruit Week' in May.

Councillor Andrew Cooper will be attending the 'Family Fruit Morning' on Tuesday 24 May.
