

Castle Hill School Council

Autumn Events

In October, the new School Council members were elected, one from each class. We borrowed a ballot box from Kirklees Council Electoral Services, and each School Council member registered their vote.

Macmillan 'Green Day' 23rd October

Each School Council member cut a ribbon to declare 'Green Day' open! We had lots of fun in school, with each class taking part in green activities throughout the day.

**WE ARE
MACMILLAN.
CANCER SUPPORT**

We raised £116 from the sale of Christmas cards, mugs and wrapping paper this year, all based on pupils' own designs. This money is supporting further School Council activities, eg buying prizes for the Christmas Parties and buying fruit for Fruit Week.

Christmas Card Fundraiser

Christmas Parties 14th December

This year, each class held their own Christmas Party in their room. We enjoyed games such as the 'Hokey Cokey' and 'Musical Statues'. Parents and carers kindly sent in donations of party food.

Spring Events

School Council Fruit Week Week 8 - 12th February

This has become an annual event at Castle Hill School. We will not be able to host our usual Family Fruit Morning this year unfortunately, but we will continue to taste and explore a wide range of different fruits in class. The School Council members will help to make posters to promote the event. This event links with our continued focus on 'Healthy Eating'.

UNICEF Charter

As we continue to work hard towards achieving the UNICEF 'Rights Respecting Schools' Gold Award, the School Council members will help to design a Charter with their class. Class members will select the Articles which are most appropriate to their class, agree actions for pupils and staff, and ensure that everybody signs the Charter.

Mural Design

The School Council have been invited to help to choose designs for the external playground walls.

Watch out for more information on this!
