Foodbank Donation - Thank you

Dear Castle Primary School,

What a remarkable thing you have done.

Your kindness shows families in need that they matter. Your generosity provides friendship to people struggling with loneliness and isolation. Your compassion provides nutritious food parcels to people struggling to feed themselves.

That's the difference your support makes. And I'm writing today to share my heartfelt gratitude to you for your very generous donation of 59.15 kg, which we received recently. The equivalent number of meals is an incredible 140 Meals. Please find attached a certificate to express our gratitude to your School community.

Thank you for joining us in the movement to create a community free of hunger. We couldn't do this without you being part of our team, working together to change lives and futures. We are so thankful for your support.

Bringing Items from Home

We have noticed an increase in the number children bringing in toys/necklaces/keyrings into school. These are then causing some in class issues between pupils, and some are going missing.

Please can we ask that children leave these items safely at home. If you feel your child needs a fidget, please discuss this with their class teacher.

World Mental Health Day - 9th October

Wear It Yellow Day

We are inviting all of our community to come into school wearing an item of clothing that is yellow (alongside their uniform) on **Friday 9th October**.

In class, we will be talking about mental health and completing some activities together.

Parking

We kindly ask all families to park considerately when dropping off and collecting children. Please be mindful of our local neighbours and ensure that driveways are kept clear at all times. Additionally, the zigzags outside of the school gate should **NOT** be parked on.

PTA Halloween Disco

Please remember to return your child's school disco reply slip by Wednesday 7th October in a named envelope.

Our PTA is running low on volunteers to support the events that they run.

If any parent/carers is able to help with the disco, with either setting up/helping to supervise/cleaning up, or all 3, please could you either let the school office know or email castleprimarypta@gmail.com

HAF fun this half term

Holiday Activities and Food funded for children and young people aged 5-16 who get targeted free school meals. Paid places also available.
