Summer Fayre

Our Summer Fayre is just around the corner, and we cannot wait! The PTA are busily working behind the scenes to ensure that this is another fun family day to remember!

We are in need of items for our tombola. Therefore, we have added a non-uniform day to this term on **Friday 12th June** in return for an item for the tombola as follows:

- ◆ Nursery/Reception: Gift sets (unwanted or new)
- ◆ Year 1/2: Pocket money toys / fidget toys
- ◆ Year 3/4: Chocolate
- ◆ Year 5/6: Alcohol bottle

If you are available to give any time on the day (before, during or after), we would love to hear from you! Please fill out [THIS FORM](#) and a member of the PTA team will be in touch. Thank you!

Sunny Weather

Just a reminder of a few things as the weather heats up:

- Please put sun cream on your child at home if the sun is due to be out.
- Please ensure your child comes in with a water bottle and a sun hat.
- Please name ALL jumpers. Without names on, these can easily go missing when children take them off.

Parking Reminder

When dropping off or collecting children from school, please be mindful of our local residents and avoid blocking driveways or access to homes. Thank you for your consideration and support.

ParentPay

Please ensure your child's ParentPay account is in credit before any services are taken.

Lunch and snack orders placed without sufficient credit will only remain on the system for up to two hours. If the account is not credited within this time, the order will be automatically cancelled by ParentPay.

Young Artist Competition

If your child would like to take part in the competition, please make sure your child's entry is returned to the school office by **Friday 19th June**. Please ensure your child's name is on the back of the drawing.

Further details can be found on the next page.

Diary Dates

Thursday 18th June - New Reception Starters parent meeting.

Friday 19th June - Father's Day Breakfast from 9am (more details to follow). **No celebration assembly.**

Saturday 20th June - PTFA Summer Fayre

Monday 6th July - Reports to parents

The Rotary Young Artist Competition 2026

I am delighted to invite your pupils to enter this years' Rotary Young Artist Competition. In 2025 we received and judged over 600 paintings from the sixteen schools that took part.

Last year the judges awarded Woodcocks' Well Primary school the "**Bellows Trophy**" as the overall winning school. The judging panel praised Woodcocks' Well for their "outside the box" creativity by submitting so many different paintings based on the "rubbish" subject!

This unique trophy was made and kindly donated by our sponsor, Senior Aerospace Bird Bellows. It will be engraved with the winners name and school, prior to presentation in July.

This year, the subject is "**Space**." A few suggestions, a room, a field, the universe, a box, the boot of a car, a warehouse, an empty swimming pool, a garden or maybe a suitcase to mention, but a few.

The competition will run from now until June 19th. Your entries will be collected on Monday June 22nd or Tuesday, June 23rd. We will be visiting your school to present the certificates and prizes along with a representative from Senior Aerospace during week commencing Monday July 6th. Nearer the time I will be in touch with a list of dates and times for you to choose your preferred presentation day. If possible, we would like to do this during your assembly.

All pupils taking part will receive a certificate of achievement. The three main prize winners from each school will be presented with age-related art material prizes.

Paintings are to be on A3 paper, can be black and white or colour and must be the pupil's own work. Any pupil can enter this competition, please ensure their *full name, age, school year as well as the schools name is clearly annotated on the back of the painting*. Last year several paintings were disqualified as they did not include the above information. There is no limit on the number of entries, however, it would be appreciated if you could keep entry numbers to about 60, if possible.

I have discussed digitally produced paintings with the judges and sponsor. All agreed to stay with the original competition format of freehand paintings produced using water-based paints, crayons or pencils.

The Rotary Club of Congleton reserves the right to publicise winning paintings in local newspapers and on our Web / Facebook sites unless requested not to.

I do hope your pupils will take part and please email me to confirm your schools' participation - thank you.

Warmest regards and best wishes,

Rod G
