As Winter is now here, we know that the children can pick up lots of bugs, coughs and colds. If you need any guidance around whether you need to keep your child off school, please use the NHS guidance. [NHS Guidance for Parents](#): Is my child too ill for school? - a useful resource to help parents decide when children should stay at home.

Volunteers

We are always on the lookout for people who can come into school and support our children by listening to them read. If you have any free time that you would like to use to volunteer within school, or if you know anybody who may be able to spare some time, please let us know. We will provide DBS checks.
