

# Castle Primary School

## Weekly Bulletin - 6/6/2025

### Fathers Day Breakfast

We are looking forward to welcoming our Dads, Grandads, uncles, brothers or other special grown up into school on Friday morning for our Fathers' Day Breakfast. We respectfully ask that each family send only one person. This is to ensure that we can all find a space in the hall to sit together.

Please can you use the door to the hall located on the staff car park.

### Non Uniform Day Friday 13th June

On Friday 13th June, children are invited into school dressed in their own clothes in exchange for a bottle to school with them as a donation for the summer fair.

### Trips

Trips are on ParentPay ready for payment. Please make sure your child's trip is paid for before your child attends the school trip.

Please return your child's trip permission form if you have not done so already.

### Healthy Eating Week 9-13th June

Healthy Eating Week is next week! There are lots of simple things you can do to help support the wellbeing of your body and mind.

Eating a well balanced diet with foods from every food type is a good start. Try starting off making small changes one at a time; you can find out what works for you, and it's more likely to stick. Remember that everyone has different dietary requirements, so you have to find the balance that's best for you.

Make time for physical activity in your daily routine. Exercise and physical activity keeps our bodies mobile and keeps us ticking over. There are so many ways to exercise. Whether you're taking a 30-minute walk or playing a full 90 minutes of football, make sure to choose something you enjoy!

### Considerate Parking

The road outside of the school can get incredibly busy at set times during the school day. Recently, a resident's car along the main road was hit at pick up time and significant damage was caused to the front of the car.

Can we please remind parents to park responsibly when attending school, and to take care when driving vehicles along the main road. This is to ensure the safety of our pupils and wider community.

### Leave During Term Time - Holidays/Sickness

Please remember to contact school before 9.30 to let us know why your child is not in school. Schools have a duty of care to contact each family when a child is absent from school, this may be by telephone or by calling at your home.

It is our responsibility to make contact to safeguard all our children. Each day valuable time is taken making contact with families when a child is absent, and we have not been informed.

**¡HOLA, AMIGOS!**

# **CHILDREN'S SPANISH CLUB TASTER SESSION**

**SATURDAY, 14TH JUNE 2025  
12:00 PM – 1:00 PM
