Castle Primary School
Weekly Bulletin – 07.03.2025

BIKEABILITY MONDAY 10TH, 11TH AND 12TH MARCH 2025

All parents of children in year 5 and year 6 taking part in the Bikeability training will have received a text message and email informing them of the allocated day for their child. Please remember on the allocated day to send your child dressed in suitable clothing for the weather and also bring their bike and helmet. Bikes will be stored on the main playground by the wall on the edge of the playground.

If you have not received a text or email, please email the school office, and Mrs Walker will reply with your child's day.

STOKE CITY

Next week, we welcome Stoke City into school to deliver an assembly to all the children.

The club have sent us over a QR code to share with parents to enable our families to purchase ticket for the match against QPR, on Saturday 29th March at a discounted rate.

Please scan the QR code opposite if you wish to take advantage of this offer with them.

Lost Property

We have accumulated a large quantity of lost property in school. Next week, we will put all of the lost property outside to be claimed. Anything not claimed by the end of the week will be recycled or sent to charity.

British Science Week - Reminder

We are looking forward to welcoming you into school on Wednesday 12th March 9:15 - 10:15 to join your child for a science based activity. If you have more than one child, you will be able to attend both classrooms.

World Book Day

World Book Day was a roaring success! It was amazing to see the children dressed up. Many of them showed incredible creativity, and I think that we all learnt a few new words on the day!

Dogs on the School site

Please can we ask that dogs are not brought onto the playground. We would also ask that dogs are not brought across the front of the school gates. Some of our school community are frightened of dogs, so walking past them can be a little scary. Thanks in advance for your cooperation with this.
