Calling Year 6 Parents

Applications have now opened for high school places for our Year 6 pupils. If you live in Staffordshire, we sent a letter home on the first day with details about how to reply. If you do not live in Staffordshire, you will need to apply directly through your local authority websites. These should be easily found through an internet search.

Our strong recommendation is that you look around as many schools as possible to get a real feel for them; some schools also allow private tours in addition to the open days on offer. As we receive information relating to open days, we will share these with you! See Congleton High Schools open evening details attached.
