

Castle Primary School

Weekly Bulletin -12/06/2026

Father's Day Breakfast

We are really looking forward to welcoming our special people into school on Friday for our Father's Day breakfast. Please don't worry if dads are unable to attend, any role model that your child/ren looks up to is welcome to join us. We ask that we have one visitor per family please so that we have catered for enough people.

Once children have been dropped off on the playground, our guests are able to go round to the hall doors. Doors will open at 9am, and we will collect the children from classrooms and deliver them to visitors in the hall.

Welcome Miss Bradbury

We are thrilled to welcome Miss Bradbury to the team this week. Miss Bradbury is going to be joining Miss Farrell at Castle Links after school.

Miss Bradbury is looking forward to developing the range of activities we have on offer at after school, so watch this space!

York Residential Trip September 26

A polite reminder for parents/carers of children are attending the York Residential Trip in September. The remaining balance is due by 1st July. Please contact the school office if you wish to discuss this further.

Toys / Items from home

We have seen an increase in the number of children coming into school with fidget toys, toys and other items from home.

Please can we politely remind our families that children should not bring any toys or other items into school from home. If children bring toys into school, this can lead to disruption, upset and disagreements during the school day.

Young Artist Competition

If your child is taking part in the competition, please make sure your child's entry is handed into the school office by **Friday 19th June**. Please ensure your child's name is on the back of the drawing.

If your child brings items in from home, their teacher may look after them until home time.

Thank you for your ongoing support.

Infant Mental Health Awareness

Infant Mental Health Awareness Week was last week and CBeebies Parenting has lots of resources to help children and parents with their wellbeing.

It gives information about a range of topics, for instance, children talking about their feelings using toys or how to help children understand their emotions.

For parents, there is advice about looking after yourself with a newborn or help with finding supportive relationships with other parents. Click the link below for more information on the CBeebies website.
