

Castle Primary School

Weekly Bulletin - 14.02.2025

Happy Half Term

What a wonderful start to our Spring term. The introduction of our incredible pupil leadership team has been a real highlight. The children have presented excellent ideas on the things that we need to focus on in school. They have worked with their classmates on considering the values that are important to us at Castle. They are keen to engage you as parents, and our governing body, to gather more views on the values that are important to us. Watch this space as we head into the second Spring half term. I hope that you all have a wonderful week off, and we will look forward to seeing you all back in school on Monday 24th February.
