Reminder Suitable Warm Clothes During the Winter Months

As the winter months have started and the weather is getting colder, just a reminder to parents and carers to ensure your child comes to school in appropriate warm clothes for this season. Warm coat, gloves and a hat.

If the school has to close due to bad weather, a text message will be sent as soon as the decision has been made after a site inspection by the site manager. We will also put the school closure on the school Facebook page.

Children in Need

What a turn out for our Children in Need coffee morning this morning! Thank you to everyone who attend and who donated to such a worthy cause.

In total, we have made £282 which will all be donated to Children in Need.
