Morning Drop Off

We have noticed an increase in cars stopping by the front gate to let children out and into school. This is causing concern to parents and school staff in relation to safety and supervision.

We ask that you find somewhere to park safely before letting your children out of the car.

Staff will be on the playground from 8:40 until 8:50 each morning. Arrival before this time will not be supervised by school staff. If you need to drop your children off earlier, we have breakfast club from 8am where they can also have breakfast to set them up for the day.
