

Friday Newsletter – 10th July 2026

We have had a remarkably busy and successful week of learning across all year groups. Our youngest pupils and Key Stage 1 children have explored everything from magnetic materials to telling the time. Before they constructed their newly refined versions, the Year 3/4 students had carefully evaluated their previous kite designs to ensure excellent teamwork. Finally, our Year 5 and 6 pupils have just returned from an unforgettable residential trip to PGL Winmarleigh Hall, where they had conquered new fears and built lasting resilience before heading home. We hope you enjoy reading about everything our fantastic students have accomplished!

Understanding the World

Our youngest children have had a busy and enjoyable week of learning. In Understanding the World, they took part in a magnetic materials hunt around the school, investigating which objects were magnetic. In Mathematics, they developed their understanding of addition by combining parts to make a whole.

In English, our Key Stage 1 children enjoyed reading *The Lonely Beast*. They used adjectives to write expanded noun phrases describing the Beast before creating fantastic paintings inspired by the story's settings. In Mathematics, the children focused on telling the time and had great fun making their own clocks.

Fantastic Behaviour for Learning Awards

Reception/1/2 – Albie H

Year 3/4 – Cassidy

Superstars Certificates for outstanding work

Miss Spencer – Ivy and Kathleen

Miss Mills – Alfie and Umjemma

Reflecting and Redesigning: Year 3/4 Kite Upgrades

Demonstrating excellent teamwork, the Year 3/4 students thoughtfully evaluated their previous kite designs to identify key areas for improvement. They then put their collaborative ideas into practice, working together to construct a newly refined and enhanced version of their kites.

Year 5/6 Residential - PGL

Our Year 5 and 6 pupils have just returned from an absolutely unforgettable residential trip to PGL Winmarleigh Hall. The children had an amazing time throwing themselves into a thrilling range of outdoor challenges, including abseiling, raft building, archery, and fencing. It was wonderful to see them conquer new fears, support one another, and build fantastic teamwork skills throughout the adventure. We are incredibly proud of their resilience and can't wait to hear all about their favorite memories back in the classroom!

Fantastic Fayre Festivities

THANK YOU SO MUCH for the incredible influx of donations for our Summer Fayre! The response has been fantastic, and the front office is looking very colorful!

If you haven't managed to donate yet, there's still a little time. **We will still be accepting donations of bottles, books, toys, and consumables on MONDAY 13TH AND TUESDAY 14TH JULY at the front office.** This is all leading up to the main event, and we are getting very excited!

A friendly reminder that our **ANNUAL SUMMER FAYRE is next Wednesday!**

JOIN US: Wednesday 15th July | 4:00pm – 6:00pm

We can't wait to see you there!

Summer Adventures at School

Not to be outdone, our Year 5/6 pupils who stayed at school have enjoyed an equally thrilling week after pitching a tent and cooking up delicious hot dogs and s'mores. They had also made the absolute most of the gorgeous sunshine by cooling down with an epic water fight before the week ended!

Important dates for your diary:

Wed 8th - Fri 10th July - Y5/6 Residential
Wednesday 15th July 4pm-6pm - Summer Fayre
Thursday 16th July - Y6 Leavers Pizza Night
Friday 17th July - Y6 Leavers Assembly at 9:30am
Friday 17th July - School closes for the summer - 3:15pm

Kind regards,

Mr H. Rose
Headteacher
