Together, we have made so many unforgettable memories this year. From the pure joy of welcoming the legendary Michael Rosen to our school, to hearing our pupils sing their hearts out at Young Voices in Manchester, it has been a year packed with inspiration. Our children have shown immense resilience during SATs, pushed themselves to new heights at PGL and on our many fantastic school trips, and consistently blown us away with their amazing oracy skills and growing confidence.

None of these achievements would be possible without you. We want to say a huge, heartfelt thank you to all our parents and carers for your unwavering support, partnership, and encouragement throughout the year. You are a vital part of what makes our school so special.

A huge thank you to all the parents and families who attended our **Year 6 Leavers Assembly**. It was a truly special celebration filled with wonderful memories, laughter, and a few emotional tears! We are incredibly proud of everything our Year 6 pupils have achieved, and we thank you for your support throughout their primary school journey. We wish them the absolute best of luck as they head off to high school!

Teamwork across the school

When pupils from Reception all the way to Year 6 come together, the entire school community truly thrives. These cross-year initiatives create a dynamic environment where leadership qualities naturally flourish, allowing older students to step up as patient, empathetic mentors who guide and inspire their younger peers. Simultaneously, the youngest children develop vital teamwork skills, building confidence as they learn to collaborate and communicate outside their usual peer groups. Whether they are tackling a creative project or a hands-on team challenge, this brilliant blend of ages fosters a powerful sense of shared responsibility, creating a cohesive school culture rooted in mutual respect and connection.
