A special shout-out to all the parents and family members who bravely took part in the parents' race, and to our dedicated teachers for stepping up to the challenge too. And of course, to our wonderful children, who were absolutely brilliant throughout the entire morning.

Attendance

Coming to school every day makes a real difference to your child's learning journey. Even a few missed days can add up, meaning valuable learning time is lost. For instance, just one day off a week is nearly six weeks of learning missed across the school year! We understand that children can sometimes feel a little under the weather, but unless they are genuinely unwell and unable to focus, being in school with their classmates ensures they don't miss out on important lessons and activities. Let's work together to make the most of every learning opportunity.

Attendance

The winners of the best attendance prize this week are the children in the Reception class. Brilliant job!

A big thank you to everyone who helped make this year's Sports Day a huge success. We'd also like to thank our wonderful parents/carers for your support. Thank you for your feedback. We have taken all your comments and suggestions on board for next year! Well done everyone!
