Maths

As Mathematicians, we will look at sequences and sorting, followed by 2D and 3D shapes, Fractions, Money and Time. What comes first in the day, breakfast or a bedtime story?

THE CATHEDRAL Catholic Primary School

Christus in Nobis

Unlocking potential together in faith and love.

English

As readers and writers, we will start the half term listening to, performing, reading and writing poems about fire. Next, we will read Little Red Riding Hood, focusing on describing the characters and writing sentences about them.

RE

As theologians, we are starting our new topic called Prophecy and Promise, which covers our learning up until Christmas. We will learn what Angel Gabriel asked Mary to do, and what happened at Christmas.

Year 1
Autumn 2 2026
Fire, Fire!

Science

As scientists, we will learn to name everyday materials such as wood, glass and plastic. We will discuss the properties of these materials. We will perform simple tests to explore the properties of materials. Weather data will be collected.

History

As historians, we will be considering an event from long ago – The Great Fire of London! When was it? Where? How did it happen? And who was Samuel Pepys? We'll be discovering the answers to these questions and more.

Curriculum Enrichment

KS1 Nativity

Traditional Tales Dress Up Day

PSHE

As caring community members, we will be learning about our Rights and Responsibilities this term. We will understand the needs of ourselves and others, plus we will learn about the people in our community and who can help us.

Computing

As computer scientists, we will learn about the technology that is all around us as home and school. We will learn that it is important to use technology safely and introduce that there are some risks associated with the use of technology.

PE

As athletes, we will learn how to accurately roll a ball and other equipment in different ways. We will learn about tactics when playing ball games. We will continue to build on what we learnt in gymnastics last half term.

Art

As artists, we will be experiment using hot colours to paint flames in our sketch book using a variety of tools and techniques. We will explore how using think and thick brushes effect our images and which we prefer.
