

Maths

As mathematicians, we are going to be extending our understanding of the four rules of number; addition, subtraction, multiplication and division. Additionally, we will investigate time and shape and focus on problem solving.

Unlocking potential together
in faith and love.

English

As readers and writers, we are going to explore the genres of non-chronological reports and writing fiction stories based on animal adventures looking at Wind in the Willows. We will compare different styles of writing and ensure we use appropriate punctuation throughout our work.

RE

As theologians, we are learning about the different parts of the mass as well as focussing on the events of Holy week leading up to the crucifixion on Good Friday.

Year 2 Spring 2 Term 2022 An African Safari

Science

As scientists, we will be examining the needs of safari animals and how they survive in the wild. We will be finding out what their needs are and who their predators are as well as looking at their life cycles.

Geography

As geographers, we will be learning about the wider world and searching through world maps to find the continents and major oceans of the globe. We will also investigate more thoroughly the continent of Africa and the different cultures within it.

Curriculum Enrichment

Trip to Blackpool Zoo

Music

As musicians, children will listen and appraise different styles of South African music. They will be practising for the Lancaster Big Sing on Monday 16th March.

Computing

As computer scientists, we will learn how to present stories and reports in different ways. The children will also be learning how to create a quiz about safari animals. They will get the opportunity to make a presentation about the facts that they have learned.

PE

As athletes, we will be developing throwing and catching skills through net and wall games. We will focus on the skills of concentration and self-belief as well as learning how to outwit an opponent.

Art

As artists, we will be looking at Keith Haring. We will emulate his style and create our own prints using colours inspired by African Safari pictures.
