

Maths

As mathematicians, we shall be recapping a whole range of topics, including: Place value, Fractions, Time and statistics, Geometry Addition and subtraction & Multiplication and division, as well as learning about perimeter, area and the angles of triangles and polygons.

Unlocking potential together
in faith and love.

Year 6

Spring 1 Term 2025

History Detectives and Ancient Egyptians

Curriculum Enrichment

Lancaster University Day
Poetry Performance
Online Safety Day
Egyptian Party

English

As readers and writers, we will be investigating the curious case of *The London Eye Mystery* by Siobhan Dowd and an online novel *The Curse of Cogston House* as well as writing our own detective fiction.

RE

As theologians, we shall be learning all about unity, death and new life as we take a closer look at the Bible and explore how each book contributes to the Word of the Lord.

Music

As musicians, we will be working towards an end of half-term guitar concert to showcase all our skills we have learnt over the past 2 years of guitar practice.

History/Geography

As historians and geographers, we shall be exploring one of the world's earliest civilizations - Ancient Egypt. Taking a look at the culture, lifestyle, wealth and health of these amazing peoples.

Science

As scientists, we shall be learning and recapping our knowledge about light. We shall cover how it travels in straight lines, the differences between transparent, opaque and translucent and how shadows are made.

Computing

As computer scientists, we shall be learning how to blog – using our skills to develop our blogs as informative texts, updating the information and learning about the approval process.

PE

As competitors, we shall be developing our football skills as well as heading back to the gym to further refine our gymnastic abilities.

Art

Street Art – hieroglyphics to graffiti, as artists we shall be developing our skills in street art – from anti-social vandalism to multi-million-pound installations.

Design & Technology

As designers, we shall be investigating stitches and samplers to help us produce a stunning Ancient Egyptian cross-stitch to accompany next term's history work.
