

Unlocking potential together
in faith and love.

Year 6
Spring 2 Term 2025

History Detectives and Ancient
Egyptians

Curriculum Enrichment

VR headset tours
Mother's Day Afternoon
World Book Day

Maths

As mathematicians, we shall be recapping a whole range of topics, including: co-ordinates, time, volume, area and perimeter and Roman Numerals.

PSHE

As caring community members, we shall be learning about positive and negative affects on mental health, influences on healthy eating and lifestyle, how images in the media can distort reality and that this can affect how people feel about themselves and how to reduce the spread of infection.

History/Geography

As historians and geographers, we shall continue to explore one of the world's earliest civilizations - Ancient Egypt. Taking a look at the culture, lifestyle, wealth and health of these amazing peoples.

Computing

As computer scientists, we shall be continuing to learn how to blog – using our skills to develop our blogs as informative texts, updating the information and learning about the approval process.

PE

As athletes, we shall be continuing to explore gymnastics – adding to our skills in performing paired and group balances and routines as well as developing our own outside creative games in and around school.

English

As readers and writers, we will continue to investigate the curious case of *The London Eye Mystery* by Siobhan Dowd and an online novel *The Curse of Cogston House* as well as writing our own detective fiction.

RE

As theologians, we shall be learning all about unity before continuing our investigations into Lent leading up to Easter.

Music

As musicians, we will be listening to and exploring the world of Jazz, ultimately playing along and then improvising to a couple of cool tunes, including Bacharach Anorak and Meet The Blues.

Science

As scientists, we shall be learning how living things are classified into broad groups according to common observable characteristics and based on similarities and differences, including microorganisms, plants and animals.

Design & Technology

As designers, we shall be investigating book sleeves before designing and making our own using Computer Aided Design to assist in the design process. We shall also be exploring the life of Vivienne Westwood and her influence on modern British design.
