*Unlocking Potential Together
in Faith and Love.*

Dear Parents and Carers,

Welcome to Reception!

We are **delighted** to be teaching your child this year and we are looking forward to helping unlock their full potential. Mrs Lee will be teaching the class this year with help from our wonderful teaching assistant, Miss Conroy. Mrs Verdon will also be teaching the class on a Monday morning when Mrs Lee has her planning time.

Reception is all about building a foundation for learning. We will do lots of work on communication and language; personal, social and emotional development; and physical development to ensure that children have an excellent foundation to build upon across their school life. We will also be developing maths, literacy, expressive art and design and understanding the world skills, across the reception year.

Our **PE day** this year is Thursday so please ensure your child has named PE kit in school for this day. We also ask that **all uniform is named** as it is easy to get uniforms mixed up. We will also be spending lots of time in our outdoor area most days so please bring a waterproof coat with a hood so we can make the most of being outside. If you like, you can send in a pair of named wellington boots to keep in school for rainy days.

Meet the Teacher

We will be having a meet the teacher on **Wednesday 9th September at 3.30PM**. Here you will get some information about what your child will be learning this year and have a chance to ask any questions you may have.

Homework

Reading – Children will soon receive a reading book to read at home. Children will keep this book to read 3 times before changing it. The first time you read the book, we would like you to look at the pictures and discuss who your child thinks the characters are and what they think is happening. The second time, your child should use their phonics knowledge to decode the words. The third read, you should ask your child questions about the book. Information about this can be found in the front of their reading record.

Tricky Words – Tricky words are words that we cannot use our phonics skills to read and write. Children will need to know how to read and write these words. Every time we learn a new tricky word in class, the word will be sent home for you and your child to practice reading and writing.

Curriculum and well-being

We ensure that our children are delivered a broad and balanced curriculum which includes all subject areas. During the first couple of weeks staff will work closely with their classes to make assessment of key learning, whilst monitoring pupil well-being. The curriculum has been designed to take account the differing experiences of each child. The staff are ready to support and nurture your children as we begin the daily routines of school life.

Stay and Play and Information Meetings

Once a half term we have our stay and play sessions. This is a chance for you to come into class with your child and see all of the exciting things they have been learning about. This is also a great opportunity for you to speak to your child's key person. This year we have changed some of the times of the stay and play sessions. This means that you can come and join us for some different lessons throughout the day. The stay and play sessions are currently booked in for the dates below. We occasionally need to change the dates due other things happening in school. If this happens, we will let you know on the weekly newsletter.

- Friday 9th October 2025 – 2.00PM: Rhyme Time and Story Time
- Friday 11th December 2026 – 2.00PM: Christmas Craft
- Friday 5th February 2027 – 9.30AM: Phonics
- Friday 19th March 2027 – 10.30AM: Maths
- Friday 21st May 2027 – 12.30PM - Literacy
- Friday 16th July 2027 – 2.00PM – Play

Communication

We will continue to update the school website with our class news. Please remember to check your emails regularly to keep in touch with what is happening in school.

We value good communication with parents so please don't hesitate to get in touch if you have any questions or concerns about your child in school. Email is the best way to contact us – my email address is at the bottom of this letter.

Thank you for your support,

Kind regards,

Mrs Kirsty Lee
