*Unlocking potential together in faith and love*

### Mission

Each Monday we share our mission of the week in our whole school assembly. Our mission this week is for children to share God's hope with others. Our stars of the week will be the children who have been spotted following the mission.

Scripture of the week: God spoke to Noah and his sons, "See, I establish my Covenant with you, and with your descendants after you." Genesis 9:8-9

### Lent

Lent begins in half term with Ash Wednesday. We will be doing the Examen each day when back in school to help us think about what we are grateful for and what we need God's help with.

### Safer Internet day

This week we have been learning about keeping safe online. As part of our home school online agreement we have been talking and teaching children about online safety. From Reception to Year 6, the whole school learnt about inspiring change within the digital worlds, apps, programmes and devices that we all use everyday. We celebrated the many marvellous aspects of the world wide web as we learnt how devices, uses and users have all changed over the last few years- who knows what the future holds and how our leaning and living will continue to change in the future?

**Thank  
you**

### Cathedral Heating Fund

Thank you for your generous support for our fundraising this half term which will go to the Cathedral Heating Fund. This will be very much appreciated by Father Steve and Father Mathew.
