Summer Safety

We are pleased to be working alongside a number of local agencies to support pupils to make safe and informed choices. If you have any questions regarding any of these activities please do not hesitate to speak to your child's House Tutor or Head of Year.

Thursday 11th July pupils will take part in Smoke Free assemblies with Smoke Free Lancashire to understand the risks of vaping and smoking. Smoke Free Lancashire will then work with a small cohort of pupils about keeping themselves safe and making healthy choices.

Tuesday 16th July all pupils will listen to a short assembly from Kooth, regarding mental health support for pupils during the summer break.

Wednesday 17th July all pupils will partake in an assembly from Lancashire Fire Service regarding safety around open water in our local community.

Duke of Edinburgh

Pupils from Year 9 completed their practice expedition for their Bronze Duke of Edinburgh award. On the first day of the expedition pupils were faced with heavy rain, the pupils did not let this dampen their spirits and each one of them showed resilience and worked well as a team showing excellent navigation skills. All pupils demonstrated the skills they had learned in their training and managed to put tents up and cook their meals independently.

Our Year 10 group also completed their bronze qualifying expedition and again demonstrated their training skills and independence on the trip. Very well done to these pupils on passing their qualifying expedition.

We are incredibly grateful to receive a community donation of brand new shirts, shirts, trousers and school bags full of stationery equipment. These items have been gifted to us by two generous members of the public. If you require support with uniform items for September, please contact the main office or your child's Head of Year.

If your child has grown out of any uniform items, we welcome donations to school that we will also share with The Uniform Project to support families in the Lancaster & Morecambe area.
