

Pupils and staff have enjoyed a fantastic first week back at school last week. Pupils enjoyed lessons in new classrooms and are settling in well to the new academic year. Staff are delighted with the positive start pupils have made to their learning and Year 7 have demonstrated excellent commitment to the school values already. Building works on our old multi-story building continue to progress well out school hours. We will keep parents updated on the progress being made.

Well done to all pupils for a superb start, lets continue to contribute to school life in the positive way you have started.

## **Parent Notices**

### **School Readiness**

Pupils must have a bag every day to carry their essential equipment: planner, stationery and any subject specific items. Key Stage 3 pupils need to bring their personal reading book in their bags for their weekly form time activity. Thank you for supporting your child to be ready for every day - every lesson counts!

### **Year 11 Parent Information Evening**

We would like to invite all Parents/Carers to attend Year 11 Information Evening on Thursday 14th September 18:00 – 19:00. The focus of this evening will be;

- The Year 11 revision website page
- A timeline of the Year
- Mock exams in November and February
- Data collections
- Revision skills in form time
- Revision guides
- Revision sessions in school
- How parents/carers can support at home

There will also be an opportunity to ask any questions you may have. We have also arranged representatives from Lancaster and Morecambe College, University of Cumbria and ASK Apprenticeships to be here on the evening so you can talk to them about your child's next steps post-16.

### **Year 11 Mock Examinations 20th November—1st December**

Year 11 will be sitting their first set of mock examinations in November. Subject areas will be working with pupils to prepare them for these mock examinations. As part of our support for pupils, we have purchased revision guides.

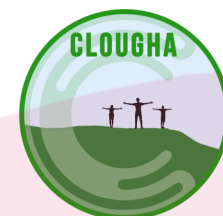

Teachers will be working with pupils over the coming weeks to prepare them for these examinations. Pupils will be set specific revision tasks on Class Charts which they will need to complete at home. Please encourage your child to start a regular routine of revision. A full mock examination timetable can be found on our dedicated Year 11 revision page [here](#).
