

## School Headlines

We are delighted to introduce to families our new Pupil Leadership Team. After a very successful interview process where the pupils spoke about their vision for the role, the team were appointed today.

Congratulations to the Year 10 House Captains - Freya Clougha, Rufaro Lune, Quaneisha Halton and Dillan Storey. Congratulations to Callum - Commitment Captain, Symone - Creativity Captain and Lexie - Community Captain. The team are looking forward to welcoming you to our community opening of The Ashton Building on Wednesday 16th October and will support pupil voice activities and events in school this academic year before handing their ties over to new Pupil Leaders.

On Friday 27th September we held a cake sale in aid of Macmillan Cancer Support. We were overwhelmed with the amount of cakes donated to the sale as well as the generous amount of money donated; £219.12.

We also held a 'Great Central Bake Off' as part of the event. The winning bakers were Katie 8S in 1st place, Jake S 7L in 2nd place and Megan M 10S in 3rd place.

Thank you to everyone who donated cakes and money for this worthwhile cause.

## Year 11 Mock Examinations

Year 11 will sit their first mock examinations of the year from Monday 28th October to Friday 8th November. The exam timetable is available on the Year 11 page on our school website along with detailed information to support pupils to prepare for their examinations. This can be found by clicking on the following link.

## Year 10 Parent/ Carer Information Evening

It was lovely to welcome so many of Year 10 families to our first information evening of the year. The slides from the presentation can be found by following the link below. If you have any questions, please do not hesitate to contact us at the school.

**A reminder that all pupils can access a free breakfast in school from 08:15 every morning.**

## Ducks

It has come to our attention that pupils are trading and selling miniature plastic ducks in school. Pupils should not be bringing items into school to sell to other pupils and the items will be confiscated until the end of the school day if seen in school.

## A Call for Help!

We are looking to expand our contacts in the world of work to come into school to speak to pupils about careers and further/higher education and to be involved in our practice interviews and employability days. If you, or anyone you know would be willing to support us with this, please complete the linked form; <https://forms.office.com/e/j1FZ0ZliTn>

## Payment for ingredients in Food lessons

We have contacted all parents of pupils in Key Stage 3, through ClassCharts announcements and an emailed letter, with details of how parents/carers can pay a £10 contribution towards the ingredients required to cook in all Food Technology lessons this academic year. This will be the only contribution required for the year and will ensure that all pupils can cook the variety of dishes planned into the curriculum. All food prepared is taken home for you to sample and enjoy. Should you have any questions, please do not hesitate to contact us.
