Make-up Taster Session – Lancaster and Morecambe College

Following the success of their previous media make-up taster sessions, the Beauty department is excited to host another event on Thursday 25th July, from 10:00–13:00, specifically for current Year 10 and Year 11 pupils.

During this immersive three-hour session, pupils will work in their campus salon and delve into the world of theatrical make-up under the guidance of tutor, Sophie, who is also a professional make-up artist.

If your child has a passion for make-up and the arts, they will have the opportunity to engage in hands-on activities and explore career possibilities in the media make-up industry. Interested pupils can register using the following link on LMC's website and our social media page.

All eligible families should have received an email regarding vouchers for free activities during the school holidays. A wide range of activities are available including coding, sports and drama. Further information can be found by following the link attached.

Escape2Make are offering a wide range of creative activities and clubs during July and August all culminating in a Green Festival in West End Gardens, Morecambe on 24th August 2024. Activities are free and they will also fund bus fares up to £3.50 per day for any workshop children attend. A link can be found on our social media page.

We are incredibly grateful to receive a community donation of brand new shirts, shorts, trousers and school bags full of stationery equipment. These items have been gifted to us by two generous members of the public.

If you require support with uniform items for September, please contact the main office or your child's Head of Year.

If your child has grown out of any uniform items, we welcome donations to school that we will also share with The Uniform Project to support families in the Lancaster & Morecambe area.
