Lancashire County Council School Bus Service Survey

Does your child currently use a school bus service contracted by Lancashire County Council?

If so please could you spare a few minutes to undertake a short survey to help the council understand what you may want from the service in the future. The survey is open until 28th March 2024 and the results will help the county council better understand service user needs and wants.

You can access the survey via the link below: [School Transport Review Survey – February 2024](#)
