

## School Headlines

**HUGE congratulations to Lune House for winning House of the Year for academic year 2023-24! Well done to Storey House for winning our school sports day!**

### Staffing Update

As the school year ends, we say goodbye to a number of colleagues who are moving on to new pastures: Miss Gray and Mr Wilson leave our support team for roles at local primary schools, Miss Buchanan and Mr Allen finish their supply roles with us and Mr Ramalli leaves us to take up a new role as Teacher of Business Studies at Sedbergh School.

Mr Aldren was successful at interview this week for a role within the attendance team at the Local Authority. Mr Aldren begins his new post in September and leaves us on 31st August. With the quick turnaround we will arrange to formal farewell to Mr Aldren in school in the new academic year.

Miss Price begins a one year secondment to Morecambe Bay Academy in September to support the maths team.

We wish all staff members every success in their new roles, and we thank them for their time and commitment to Central Lancaster High School.

### Internal Appointments

Mrs Spence & Miss Morris take up roles within our Extended Leadership Team working alongside the Senior Leaders in school.

Miss Livesey takes up the role of Acting Assistant Head of Science supporting Mrs Middleton with the leadership of the Science department.

***May we thank you for supporting your child and the school this academic year. We have celebrated some incredible positives in 2023-24 including our Ofsted inspection, Duke of Edinburgh qualifying expeditions, the return of our Cultural Capital Day and incredible individual pupil achievements – none of which would be possible without the ongoing support of all our families. We wish you all a wonderful summer break (with some sunshine!) and look forward to seeing our pupils return for another successful year in September.***

Escape2Make are offering a wide range of creative activities and clubs during July and August all culminating in a Green Festival in West End Gardens, Morecambe on the 24th August 2024. Activities are free and they will also fund bus fares up to £3.50 per day for any workshop children attend.

### **Make-up Taster Session - Lancaster and Morecambe College**

Following the success of their previous media make-up taster sessions, the Beauty department is excited to host another event on Thursday, 25th July, from 10am - 1pm, specifically for Year 10 and Year 11 pupils.

During this immersive three-hour session, pupils will work in their campus salon and delve into the world of theatrical make-up under the guidance of tutor, Sophie, who is also a professional make-up artist.

If your children have a passion for make-up and the arts, they will have the opportunity to engage in hands-on activities and explore career possibilities in the media make-up industry. Interested pupils can register using the following link on LMC's website:  
<https://www.lmc.ac.uk/events/media-make-up-taster-event>

All eligible families should have received an email regarding vouchers for free activities during the school holidays. A wide range of activities are available including coding, sports and drama. Further information can be found by following the link attached.

More details about local holiday activities can be found in the attached documents.

# School Notices

## End of Year Reports

End of Year Reports were sent out to parents/ carers on Wednesday 17th July by both email and text. If you have not been able to access the report, please contact us.

## NHS Newsletter

Please find attached a newsletter which highlights all the support the NHS can offer to those interested in a career within the NHS or Social Care.

**Bedrock Learning** will resume in September. Usernames and passwords will remain the same. There is no expectation to complete work over the summer, but pupils are able to do so if they would like to continue with their progress. Thank you to all families for their support this year.

**For individual who have any concerns about a child, or children who need to share any worries, contact Talk Zone. Details attached to this newsletter.**

We are incredibly grateful to receive a community donation of brand new shirts, shirts, trousers and school bags full of stationery equipment. These items have been gifted to us by two generous members of the public. If you require support with uniform items for September, please contact the main office or your child's Head of Year.

If your child has grown out of any uniform items, we welcome donations to school that we will also share with The Uniform Project to support families in the Lancaster & Morecambe area.

## Central's Care Code
