Lancashire County Council School Bus Service Survey

Does your child currently use a school bus service contracted by Lancashire County Council?

If so please could you spare a few minutes to undertake a short survey to help the council understand what you may want from the service in the future. The survey is open until 28th March 2024 and the results will help the county council better understand service user needs and wants.

You can access the survey via the link below: [School Transport Review Survey - February 2024](#)

Year 10 Mock Examination Weeks

Year 10 will sit their first set of mock examinations between 22nd April – 3rd May. Pupils were given a paper copy of the timetable on Friday during form time. A copy can be viewed and downloaded on our dedicated Year 10 website page [here](#). Over the coming weeks pupils will be given specific tasks to support their revision. Please encourage your child to complete these tasks as directed. If you have any questions, please do not hesitate to contact us.

Bedrock

Bedrock does not close for the school holidays. Pupils are encouraged to complete extra points during the two week long half terms to avoid any work during the Easter break. Check with your child whether they have accumulated enough points this half term. Alternatively, some pupils like the extra challenge and are happy to work during the Easter break.

We are looking forward to our next open mic event which will take place in the hall on Thursday 28th March during lunchtime. Pupils can come and watch for 50p, payable on the door.

Year 11 Notices

Year 11 Parent Information Evening

We will be holding our second Parent Information Evening on 27th March. The focus for the evening is how best to support your child to revise effectively and manage the work load for the examinations which begin in May.

Mock Examination Results Day

On Friday, Year 11 pupils attended a mock examination results breakfast. Pupils received their mock examination outcomes, in the same way they will receive their final grades in the summer. Pupils received details of their overall attendance; achieving 100% attendance should be an expectation of all pupils in Year 11 from now on. Parents/carers were sent an electronic copy of the mock examination results during the day on Friday. If you have not received your copy, please contact us via the school office.

End of Key Stage 4 Exam Timetable

All pupils who attended the mock examination results day also received a copy of their own individual examination timetable for summer 2024. Parents/carers will be sent a copy of this timetable through the post. A copy of the complete timetable can be found on our dedicated Year 11 page here.

Year 11 Mock examinations for vocational qualifications

Pupils who study vocational qualifications will sit a mock examination as detailed in the timetable below. These mock examinations will be sat in the main school hall under examination conditions.
