Year 10 Work Experience 13th–17th May 2024

A letter has been sent home today with further details regarding the arranging and administration of work experience. Key dates to remember are that the placements should be agreed in principle by 23rd February and all paperwork completed by 19th April. All paperwork will be completed online via our Unifrog platform.

RAF Online Event

There is a wonderful opportunity for pupils to take part in the latest free, online Royal Air Force virtual event on the evening of Thursday 8th February. This will provide pupils and parents, the opportunity to immerse themselves into the RAF world, speak to subject matter experts from across the 60 roles available within the RAF and speak to recruiters about the next steps in their potential journeys. Please see the poster over the page for the QR booking code.

Reading Interventions

For those pupils who have support with their reading through Fresh Start, Language Builders or Lexia, we will be entering our reading assessment window next week. All Key Stage 3 pupils who are on a reading intervention will complete a one hour reading assessment in school. This process assesses their progress and lets us know whether they have made progress with their reading. Following this assessment, pupils may be re-grouped for future reading interventions.

February Mock Examinations- Year 11

The final set of mock examinations will begin on Monday 19 February. A paper copy of the timetable has been handed to all pupils and it can also be accessed on our dedicated Year 11 website page which can be found [here](#). In addition to the timetable, the page directs pupils to specific week by week guidance on what they need to revise for each of the mock exams. There is clear direction to supporting resources that will be provided by teachers, guidance on how to revise and details of when in-school revision sessions take place. Should you have any questions, please do not hesitate to contact us at the school.

Maths Master classes

We will be running two Maths master classes for pupils who are entered for higher tier maths examinations in the summer. These sessions will run during periods 1-3 on Tuesday 30th January and Thursday 1st February.

February Half Term Revision Sessions

We are pleased to be able to offer the below holiday revision sessions to support pupils as they prepare for their February mock examinations. Pupil Success

Cross Country Success

The district cross country championship was held at Ripley St Thomas on the 12th January 2024. We entered 2 runners into the competition on a crisp, cold winters day. Alice (Y7) ran a strong race on an unfamiliar course. The pace was fast and she ran well enough to take sixth place so has qualified for the next round; the Lancashire Championship. Well done Alice.

The last race saw the senior boys run and we entered last years’ winner, Josh (Y10). Josh likes to set the pace and lead from the front and within 100 yards he was ahead where he remained for the rest of the race. Only one other pupil could stay with him but by the 2nd lap Josh was out ahead and the rest of the race was a formality. This was a magnificent achievement to have won two years in a row. Josh will enter next years race hoping to make it a hat trick of wins. Well done Josh!
