# Attendance Policy

## CENTRAL LANCASTER HIGH SCHOOL

Central Lancaster High School recognises the clear link between the attendance, punctuality and attainment of its pupils. The aim of this policy is to encourage the highest level of attendance for individual students, particular groups (including those who are vulnerable) and the school as a whole.

We recognise that promoting good attendance and punctuality prepares young people for the expectations of working life.

The policy contains strategies used to improve the attendance and also outlines the roles and expectation of all stake holders in achieving this.

### Guiding principles:

- To improve the overall percentage of attendance of pupils at our school, with an expected target of 97%.
- To raise the profile of attendance and make it a priority for staff, pupils, parents/ carers and the Governing Body.
- To ensure that there is a provision of appropriate guidance and support for parents/ carers, pupils and staff.
- To develop and monitor clear procedures for maintaining accurate registers.
- To develop a systematic approach to collating, analysing and acting upon attendance data in order to target attendance related issues.
- To provide a framework within which all staff can work to provide a consistent approach to raising levels of attendance by using and working with relevant agencies as appropriate.
- To provide a safe, caring and compassionate environment where every pupil can access all opportunities offered to them.
- To work with pupils and their families to ensure good attendance and punctuality to school.
- To have regard to the Disability Discrimination Act 1995 and make reasonable adjustments for young people when required.

### Creating a culture of 'good attendance' at Central Lancaster High School:

- Central Lancaster High School will have a solution-focussed approach to overcoming barriers and improving attendance.
- Letter/ emails/ text messages/ School social media will communicate the importance of good attendance and celebrating successes each ½ term.
- Website updates will include a clear link to the Attendance Policy, procedures and expectations.

- School assemblies will have slides that include a focus on attendance; form/ year/house attendance figures, weekly/ half termly/ termly/ annually.
- Rewards for forms and individuals for good attendance will include:
  - Letter home- 100% attendance for ½ term.
  - Praise postcards/ texts/ emails/ phone calls- for pupils with improved attendance.
  - Positive posters- to promote good attendance in each form room and pupil toilets.
- Attendance will be a standing agenda item on all pastoral meetings.

### Expectations of parents and carers:

If no indication of a return to school date is given, parents/ carers should contact the school on each day of absence.
- Provide a letter/medical letter where appropriate, on their child's return to school that explains their child's absence
- Parents/ carers are ultimately responsible for their child attending the school regularly (education Act 1996).
- Attend meetings at the academy arranged by the school to discuss concerns regarding attendance to school.
- To inform the school without delay, if they have concerns about any aspect of their child's education and school life, that they feel is hampering their attendance.

### Expectations of pupils:

## Thresholds and interventions:

Dependant on attendance figures (by session) pupils will be divided into 3 subgroups requiring 3 distinct waves of intervention. Each subgroup will be RAG rated on an attendance spreadsheet with interventions clearly flagged.

All parents/ carers of pupils with an attendance of 90% and below will receive a letter expressing our concern, highlighting the fact that their attendance will be closely monitored and that any absences will be unauthorised without medical evidence.

Percentage	Wave	Intervention
Below 97%	1	All pupils will receive a stage 1 letter once their attendance falls below 97% or on the second day of absence during the first half term. The stage 1 letter is a letter which states our concerns and notifies pupils and parents/ carers that attendance will be monitored. Pupils will be set targets to improve attendance up to the expectation of 96% and any pastoral support required will be identified and implemented.
Below 95%	2	All pupils whose attendance falls below 95% or following a 3 <sup>rd</sup> day of absence during the first half term will receive a stage 2 letter. This letter will clearly state that all further absences will be unauthorised unless accompanied with medical evidence. Continued pastoral support will be given and attendance monitored, once attendance meets the expected target of 97%, no further action will be taken.
Below 90%	3	Pupils whose attendance falls below 90% or on the 5 <sup>th</sup> day of absence in the first half term will receive a stage 3 letter and will be invited in for an attendance panel meeting with the AO and Progress Leader. All further absences will be unauthorised. Pupils below 90% will receive day one home visits where possible, and where there are unsatisfactory reasons for absence or they are identified as vulnerable (CIN, CP, SEND, FSM/PP etc). This will be recorded on CPOMS.

Following a stage 3 letter and an attendance panel, all absences will continue to be unauthorised. First day contact and home visits will continue for subsequent absences. Pupils at wave 3 will continue to receive pastoral support, monitored until attendance reaches 97% or above, where no further action will be taken. Dependant on complexity of

need, the CAF process may be started and TAFs held with the AO as the Lead Professional. Engagement with external agencies will be sought. If there is no improvement and attendance reaches 80% there will be a referral for a fixed penalty notice to be issued following the collation of evidence gathered by the AO.

### Punctuality:

- The pupil gates and entrances will be closed at 8.40am after which pupils must enter the school via the main entrance.
- Any pupils arriving after 8.40am will be met at the school entrance by a member of staff and will be issued with a 10-minute lunchtime detention. If a pupil arrives 1 hour or more after 8.40am, they will be issued with a 1-hour after school detention.
- Repeated lateness will be reported to parents/ carers. Repeated lateness after the register has closed may be dealt with in the same way as absence. Parents/ carers may be issued with a Penalty Notice or even prosecuted in the Magistrates Court.

### Leave of absence:

Any requests for leave of absence will be strongly discouraged. Requests for absence will be declined unless the parents/ carers are able to demonstrate exceptional circumstances:

- Parents/ carers are strongly discouraged from taking their children on holiday during term time. All requests for leave of absence will be declined unless parents can evidence exceptional circumstances which is at the discretion of the Principal.
- Requests for holiday leave during exam times will not be authorised under any circumstances.
- Parents/ carers must apply for leave of absence using the school's application form which can be requested from the school office or downloaded from the school website. Applications must be made at least 2 school weeks in advance.
- If a pupil fails to return from an agreed period of absence, investigations will be made by staff (telephone calls/ home visits by the AO and possibly other agency).
- If the school's investigations fail to make contact with the parents/ carers and/or pupil, the case will be referred to the Children Missing in Education (CME) team, who may, after further investigation, inform the school that the pupil may be removed from roll.
- Penalty Notices will be used in cases where an application for the leave of absence is refused and the pupil is subsequently absent during the dates originally requested. Parents will be warned of potential consequences when an application for leave is denied.

## Authorised/ unauthorised absences:

Authorised absence is where the school has given permission for absence in advance or where the explanation given afterwards has been accepted as satisfactory justification for the absence. Parents/ carers may not authorise absences only the school can do this.

Parents/ carers should immediately contact the school by phone 01524 32636 or via email [attendance@lancasterhigh.lancs.sch.uk](mailto:attendance@lancasterhigh.lancs.sch.uk) on the first day, by 9.00am, of any absence giving clear reasons. This should be followed up by a note on the child's return.

Absence may be authorised for such reasons as:

- Illness
- Unavoidable medical/ dental appointments
- Exceptional family circumstances e.g bereavement
- Days of religious observance
- Study leave involvement in a public performance
- Elite athlete activities

Absence will not be authorised for such reasons:

- Looking after brothers/ sisters/ unwell parents/ carers
- Birthdays
- Family holidays where permission has not been granted (please note that family holidays during term time will not normally be approved)
- Special occasions, where the school does not agree that the absence should be granted.

Medical/ dental and other appointments should be arranged out of school hours wherever possible. Where this is not possible, pupils should, where practically possible, come to the school before the appointment, sign out and return to the school after the appointment. Confirmation of all appointments by way of appointment card, letter or appointment slip must be provided for any absence to be authorised. If medical appointments are to be attended at the start of the day, causing the pupil to arrive late to school, confirmation of the appointment (as above) must be provided, or a late detention will be issued.

Following an explanation from parents/ carers regarding a pupil's absence, the school will decide whether or not it accepts the explanation and authorise/ unauthorise accordingly.

## Children Missing in Education

The school's Attendance Officer will notify Lancashire's Children Missing Education Team when pupils have missed 10 consecutive school days without permission (or sooner if school

are aware that the pupil is not going to return e.g. moved out of area) via the CME referral form.

The school's Attendance Officer will complete CME9 removal from roll and/or provide Lancashire ([offroll@lancashire.gov.uk](mailto:offroll@lancashire.gov.uk)) with the relevant details where a pupil has been removed from roll and a start at a new school has been confirmed or where the CME Team has advised the school that removal from roll is authorised.

## Penalty Notices:

Section 23 of the Anti-Social Behaviour Act 2003 brought into force Sections 444A and 444B of the Education Act 1996, which empower designated LA Officers to issue Penalty Notices in cases of unauthorised absence from school.

The LA has prime responsibility for developing the Code of Conduct (protocol) within which all partners named in the Act will operate. Circumstances in which a Penalty Notice may be issued include:

- Parentally condoned absence
- Unauthorised leave of absence in term time
- Unwarranted delayed return from an extended leave of absence (without school agreement)
- Persistent late arrival after the register has closed.
- A minimum evidential requirement of fourteen (14x half days) sessions lost to authorised absence by any pupil across 2 terms during the school year and/or ten (10 x half days) school sessions lost in the current term may also trigger the process. This is not an exhaustive list and each case will be considered individually.
- A Section 444 Prosecution will be considered when:
  - A pupil's attendance is less than 65%
  - There has been a lack of response to PN's- such as two already used in an academic year.

## Coronavirus Addendum

### Attendance expectations

From the start of the autumn term 2020 pupil attendance will be mandatory and the usual rules will apply on attendance, including:

- Parents' duty to ensure that their child of compulsory school age attends regularly at the school where the child is registered.
- School's responsibilities to record attendance and follow up absence
- The ability to issue sanctions, including fixed penalty notices, in line with local authorities' codes of conduct

There are some circumstances where pupils cannot attend school due to the coronavirus (COVID-19). These absences will be categorised as 'not attending in circumstances related to coronavirus (COVID-19)' where a pupil does not attend because their travel to, or attendance at, school would be:

- Contrary to guidance relating to the incidence or transmission of coronavirus (COVID-19) from Public Health England (PHE) and/ or the Department of Health and Social Care (DHSC)
- Prohibited by any legislation (or instruments such as statutory directions) relating to the incidence or transmission of coronavirus (COVID-19)
- In line with the Government's expectation that no parent will be penalised for following official public health advice for their child not to attend a given session, this new category on non-attendance will not count as an absence (authorised or unauthorised) for statistical purposes.

### Attendance codes:

- Pupils who test positive for a LFT but are awaiting confirmation of a PCR will be recorded using 'x'.
- Pupils whose PCR result is positive and who are now isolating and or unwell will be recorded using code 'I'.

### Examples are as follows:

- Pupils who are required to self-isolate as they have symptoms or confirmed coronavirus (COVID-19)
- Pupils who have symptoms should self-isolate and get a test.
- If a pupil tests negative and if they feel well and no longer have symptoms similar to coronavirus (COVID-19), they can stop self-isolating and return to school. If the pupil remains unwell following the test (such as a different illness), then they will be recorded as code I – illness, as would usually be the case.

- If a pupil tests positive, they should continue to self-isolate for at least 10 days from the onset of their symptoms. They should only return to school if they do not have symptoms other than a cough, and/ or loss of sense of smell and/or taste. This is because a cough or anosmia can last for several weeks once the infection has gone. Code X should be used for the period of self-isolation until the test. After the pupil tests positive, they should be recorded as code I (illness) until they are able to return to school.
- In all cases of self-isolation, we will ask parents to inform us immediately about the outcome of a test. We will not require evidence of negative test results or other medical evidence before admitting children or welcoming them back after a period of self-isolation.

### Remote education:

- If a pupil is not attending school due to circumstances related to coronavirus (COVID-19), we will be able to immediately offer them access to remote education. Where possible, we may be able to provide IT devices, where we are unable to do so we will provide paper-based work. We will keep a record of, and monitor engagement with this activity.
- SEND students will be contacted by a member of the SEND department to check that they can access the work provided and support adjustments where required. Parents of children with an Educational and Health Care Plan, will be contacted to discuss their personalised Risk Assessment for self-isolation.
- Support:
- If a pupil is not attending school due to circumstances related to coronavirus (COVID-19), we will endeavour to maintain regular contact to check on the welfare and emotional wellbeing.
- If the parents of the child are in receipt of Free School Meals, we will be able to provide support with accessing food provisions as discussed with the parent.
- If the pupil usually receives support from an external agency or via Student Support, this support may continue on a remote basis (welfare phone-call, virtual online meeting).
