

Provider Access Policy Statement

This policy sets out the schools arrangements for managing the access of providers to pupils at the school for the purpose of giving them information about the provider's education or training offer. This complies with the schools legal obligations under section 42B of the Education Act 1997.

Procedure

A provider wishing to request access should contact

Joanne Lilley Careers Leader

A number of events, integrated into the school Careers programme, will offer providers an opportunity to come into school to speak to pupils and/or their parents/carers.

The annual Careers Festival in November gives all providers a platform for this. Please get in touch with the Careers Leader named above if you have not received a formal invitation to this event (by mid-September) and you would like to attend.
