Whole School Policy for Safeguarding & Child Protection

CENTRAL LANCASTER HIGH SCHOOL

The purpose of this safeguarding policy is to ensure every child who is a registered pupil at Central Lancaster High School is safe and protected from harm. The Department for Education (DfE) '[Keeping Children Safe in Education](#)' (September 2020), states safeguarding and promoting the welfare of children is defined for the purposes of this guidance as:

- Protecting children from maltreatment;
- Preventing impairment of children's mental and physical health or development;
- Ensuring that children grow up in circumstances consistent with the provision of safe and effective care; and
- Taking action to enable all children to have the best outcomes.

This policy will give clear direction to all stakeholder about expectations and our legal responsibility to safeguard and promote the welfare of all children at our school.

Central Lancaster High School fully recognises the contribution it can make to protect children from harm and to support and promote the welfare of all children who are registered pupils at our school. This policy applies to all stakeholders; pupils, staff, parents, governors, volunteers and visitors.

No single professional can have a full picture of a child's needs and circumstances. If children and families are to receive the right help at the right time, everyone who comes into contact with them has a role to play in identifying concerns, sharing information and taking prompt action.

The Children Acts 1989 and 2004, states a child is anyone who has not reached their 18th birthday. The commitment to safeguarding and promoting the welfare of children however will extend to all children who visit Central Lancaster High School as well as all pupils of school.

Statutory Guidance

- [Education Act 2002](#): Section 175 of the Education Act 2002 requires local education authorities and the governors of maintained schools and further education (FE) colleges to make arrangements to ensure that their functions are carried out with a view to safeguarding and promoting the welfare of children.
- Section 157 of the same act and the Education (Independent Schools Standards) (England) Regulations 2003 require proprietors of independent schools (including academies and city technology colleges) to have arrangements to safeguard and promote the welfare of children who are pupils at the school.
- [Working Together to Safeguard Children 2018](#) sets out organisational responsibilities for schools and colleges and this applies to maintained, independent, academies, free schools and alternative non provision academies
- [Keeping Children Safe in Education 2020](#): Statutory guidance for schools and colleges 2020 was issued under Section 175 of the Education Act 2002, the Education (Independent School Standards) Regulations 2014 and the Education (Non-Maintained Special Schools) (England) Regulations 2011. This contains information on what schools and colleges should do and sets out the legal duties with which schools must comply
 - [What to do if you are worried a child is being abused](#)
 - [Guidance for Safer Working Practice](#)
 - [The Children Act 1989](#)

Child in Need

Central Lancaster High School is committed to ensuring the appropriate level of support is offered to a "Child in Need" and their family. We therefore ensure that:

- DSLs will make a Section 17 referral to Children's Social Care where Early Help has not been successful in reducing risk and meeting unmet needs using [Lancashire Continuum of Need and Thresholds Guidance](#) and CSC referral form.
- DSLs will make a Section 17 referral to Children's Social Care where there is evidence that the Level 3 threshold has been met on the Continuum of Need.
- This will be determined and assessed by the DSL using the Lancashire Continuum of Need and Thresholds Guidance and the Risk Management Toolkit.
- DSLs will obtain parental consent for the referral and for information to be shared, prior to contacting Children's Social Care.
- When consent is not given, DSLs will continue to offer Early Help with consent, gather evidence of engagement or lack thereof, disguised compliance, impact on the child, increase in risk or level of unmet need, improvements or deteriorations.

- A copy of the child's CiN Plan is included in the child's individual safeguarding file.

Early Help

Central Lancaster High School is committed to providing our families with the right help at the right time. Any child may benefit from early help, but ALL school and college staff should be particularly alert to the potential need for early help for a child who:

- Is disabled and has specific additional needs.
- Has special educational needs (whether or not they have a statutory education, health and care plan).
- Is a young carer.
- Is showing signs of being drawn in to anti-social or criminal behaviour, including gang involvement and association with organised crime groups.
- Is frequently missing/goes missing from care or from home.
- Is misusing drugs or alcohol themselves.

- Is at risk of modern slavery, trafficking or exploitation.
- Is in a family circumstance presenting challenges for the child, such as substance abuse, adult mental health problems or domestic abuse.
- Has returned home to their family from care.
- Is showing early signs of abuse and/or neglect.
- Is at risk of being radicalised or exploited.
- Is a privately fostered child.
- Any other identified reason not listed above that requires extra support or intervention to improve outcomes for families and children including mental health support.

We therefore ensure that:

- All staff and volunteers can identify the risk factors that indicate a family or pupil may benefit from Early Help.
- All staff and volunteers will use the school's agreed format for letting the DSL know about Early Help requirements.

- DSLs and other identified staff will initiate and maintain positive and supportive relationships with parents and carers of children who may benefit from Early Help.
- DSLs or appropriately trained school staff will generally be the lead for Early Help cases if this is in the best interests of the family.

Specific Safeguarding

Central Lancaster High School is committed to keeping our children safe from specific forms of abuse. We therefore ensure that all staff and volunteers understand that there are specific and emerging ways in which children can be abused and includes;

Radicalisation;

- This refers to the process by which a person comes to support terrorism and forms of extremism, there is no single way of identifying an individual who is likely to be susceptible to an extremist ideology.
- All staff and volunteers will have 'due regard to the need to prevent people from being drawn into terrorism', known as the 'Prevent Duty'.
- All staff and volunteers will have a general understanding of how to identify a child who may be at risk of radicalisation.
- All staff and volunteers will use professional judgement in identifying children who might be at risk of radicalisation and act proportionately.
- The school's Online Safety Policy will ensure the safety of children by ensuring they cannot access terrorist and extremist material when using the internet and that suitable filtering software is in place.
- DSLs understand when it is appropriate to make a referral to the Channel Panel.

Child Sexual Exploitation (CSE)

This involves exploitative situations, contexts and relationships where young people may receive something (e.g. food, accommodation, drugs, alcohol, gifts or simply affection) as a result of engaging in sexual activities. The perpetrator will not only groom the victim (possibly over a long period of time) but will always hold some kind of power which increases as the exploitative relationship develops. Sexual exploitation involves a degree of coercion, intimidation or enticement, including unwanted pressures from peers to have sex, sexual bullying including on line bullying (cyberbullying) and grooming. It is important to recognise that some young people who are being sexually exploited do not exhibit any external signs of this abuse.

- The school curriculum (whereby sexual relationships/PSHE is delivered) will include relevant information around the risks associated with CSE.
- The school Online Safety Policy will ensure the safety of children by ensuring they cannot access inappropriate material when using the internet and that suitable filtering software is in place.

Child Criminal Exploitation

This is a form of child abuse. It occurs where an individual or group takes advantage of an imbalance of power to coerce, control, manipulate or deceive a child or young person under the age of 18 into any criminal activity:-

(a) in exchange for something the victim needs or wants, and/or

(b) for the financial or other advantage of the perpetrator or facilitator and/or

(c) through violence or the threat of violence. Child criminal exploitation does not always involve physical contact; it can also occur through the use of technology. CCE:-

- can affect any child or young person (male or female) under the age of 18 years.
- can affect any vulnerable adult over the age of 18 years.
- can still be exploitation even if the activity appears consensual.
- can involve force and/or enticement-based methods of compliance and is often accompanied by violence or threats of violence.
- can be perpetrated by individuals or groups, males or females, and young people or adults; and.....
- Is typified by some form of power imbalance in favour of those perpetrating the exploitation. Whilst age may be the most obvious, this power imbalance can also be due to a range of other factors including gender, cognitive ability, physical strength, status, and access to economic or other resources.

Criminal exploitation of children can include **County Lines**. This is a geographically widespread form of harm that is a typical feature of county lines criminal activity: drug networks or gangs groom and exploit children and young people to carry drugs and money from urban areas to suburban and rural areas, market and seaside towns or move drugs from A to B. Key to identifying potential involvement in county lines are missing episodes, when the victim may have been trafficked or the purpose of transporting drugs and a referral to the [National Referral Mechanism](#) should be considered in addition to normal safeguarding procedures.

Honour Based Abuse (HBA)

Honour based abuse is a collection of practices used to control behaviour within families in order to protect perceived cultural and religious beliefs and/or honour. Violence or abuse can occur when perpetrators perceive that a relative has shamed the family and/or community by breaking their honour code.

Forced Marriage

Forced Marriage is one whereby one or both parties do not consent to marriage but are forced to do so through violence, threats or any form of coercion. Schools play an important role in safeguarding children from being forced to marry.

Female Genital Mutilation (FGM)

Female Genital Mutilation is encompassed within the term Honour Based Violence

- All staff and volunteers are aware of the "one chance rule" and will report all cases of suspected Honour Based Violence to the DSL immediately
- FGM is illegal in the UK and a form of child abuse with long-lasting harmful consequences
- All staff need to be alert to the possibility of when a female pupil may be at risk of FGM or when it may have been conducted on them

Whilst all staff should speak to the designated safeguarding lead (or deputy) with regard to any concerns about female genital mutilation (FGM), there is a specific legal duty on teachers. If a teacher, in the course of their work in the profession, discovers that an act of FGM appears to have been carried out on a girl under the age of 18, the teacher must report this to the police.

Modern Slavery

The [Modern Slavery Act 2015](#) places a new statutory duty on public authorities, including schools, to notify the National Crime Agency (NCA) (section 52 of the Act) on observing signs or receiving intelligence relating to modern slavery. The public authority (including schools) bears this obligation where it has 'reasonable grounds to believe that a person may be a victim of slavery or human trafficking'.

Staff must be aware of the above and contact the DSL should they suspect or receive information that either parents or their children may be victims of modern slavery. The DSL should then contact the NCA.

Peer on Peer Abuse

Peer on Peer Abuse (including sexual violence and harassment) occurs when a young person is exploited, bullied and / or harmed by their peers who are the same or similar age; everyone directly involved in peer on peer abuse is under the age of 18. Please see [Peer on Peer abuse Pan Lancashire procedures](#).

Central Lancaster High School will refer to specific guidance in Keeping Children Safe in Education Part five: Child on Child Sexual Violence and Sexual Harassment.

This is most likely to include, but may not be limited to: bullying (including cyberbullying); physical abuse such as hitting, kicking, shaking, biting, hair pulling, or otherwise causing physical harm; sexual violence and sexual harassment; sexting (also known as youth produced sexual imagery); and initiation/hazing type violence and rituals. This will also include Upskirting.

It typically involves taking a photograph under a person's clothing without them knowing, with the intention of viewing their genitals or buttocks for sexual gratification or causing humiliation, distress or alarm.

- All staff and volunteers understand that children can abuse other children.
- All staff and volunteers will inform the DSL of suspected peer abuse and record in line with schools recording policy.
- Peer on peer abuse will be taken as seriously as any other form of abuse.
- All staff understand that abuse is abuse and should never be tolerated or passed off as “banter”, “just having a laugh” or “part of growing up.
- All staff will understand that pupils with SEND are more prone to peer group isolation and school will have extra pastoral support to address this.
- Physical abuse between peers will be managed under the school's Behaviour Policy.
- Emotional abuse between peers will be managed under the school's Anti-Bullying Policy.
- Harmful sexual behaviour will be identified and managed using the [Brook Traffic Light Tool](#) and with support and guidance from LCC Schools Safeguarding Officers.
- In cases of suspected or actual peer on peer abuse a risk assessment will be undertaken and appropriate and proportionate control measures put in place to manage and reduce risk.
- DSLs understand that regarding peer on peer abuse, the victim and the perpetrator are likely to have unmet needs and require support and assessment to determine these.
- The DSL will assess on a case-by-case basis, supported by children’s social care and the police if required to ensure the most appropriate response for the children / young people involved.
- The DSL will consider:
 - the wishes of the victim in terms of how they want to proceed
 - the nature of the alleged incident
 - the ages of the children involved
 - the development stages of the children involved
 - any power imbalance between the children
 - is the incident a one-off or a sustained pattern of abuse
 - are there ongoing risks to the victim, other children, school or college staff
 - contextual safeguarding issues.

Following a report of sexual violence, the designated safeguarding lead (or deputy) will make an immediate risk and needs assessment, considering:

- the victim
- the alleged perpetrator
- all other children (and if appropriate adult students and staff).
- Risk assessments will be recorded and kept under review as a minimum termly.

Examples of risk Assessments and Guidance below:

[Lancashire Education Risk Management Plan](#)

(Further detailed guidance on Child on Child Sexual Violence and Sexual Harassment is found in [Keeping Children Safe in Education 2020](#), part 5).

Domestic Abuse

Domestic abuse is any incident or pattern of incidents of controlling, coercive, threatening behaviour, violence or abuse between those aged 16 and over who are, or have been, intimate partners or family members regardless of gender or sexuality. The abuse can encompass, but is not limited to:

- Psychological
- Physical
- Sexual
- Financial
- Emotional

Exposure to domestic abuse and / or violence can have a serious, long lasting emotional and psychological impact on children. In some cases, a child may blame themselves for the abuse or may have had to leave the family home as a result.

All staff and volunteers understand what domestic abuse is and the potential impact upon children and how this might be displayed.

The DSLs will: -

- Ensure that the school has suitably trained Key Adult/s in order to fulfil its obligations under Operation Encompass.
- Ensure that the school's commitment to Operation Encompass is known throughout the school community via the means of staff training, parental letters, posters and the school website.

School will provide an overview of Operation Encompass with the names of the Operation Encompass leads and a link to the Operation Encompass website

(<https://www.operationencompass.org>) Operation Encompass leads at Central Lancaster High School are Victoria O'Farrell and Lee Mackie.

Children Missing from Education

Children Missing from Education can be a potential sign of abuse or neglect including sexual exploitation, child criminal exploitation, undergoing female genital mutilation, forced marriage or travelling to conflict zones.

- All staff and volunteers follow school procedures when a child misses education particularly on repeat occasions to help identify the risk of abuse and neglect.
- The school Attendance Policy is up to date, reviewed annually and includes reference to CME and procedures followed in the case of children missing or who have attendance concerns.
- There is an admissions policy and an attendance register.
- The Local Authority is informed of any pupil who fails to attend school regularly, or has been absent without the schools permission for a continuous period of 10 school days or more.
- Where reasonably possible schools and colleges should hold more than one emergency contact number for their pupils and students.
- All staff will be aware that children going missing from education can be a warning sign of safeguarding considerations.

Sexting

Sexting is defined as the production and/or sharing of sexual photos and videos of and by young people who are under the age of 18. (UKCCIS, 2016), It includes nude or nearly nude images and/or sexual acts. It is also referred to as 'youth produced sexual imagery'. 'Sexting' does not include the sharing of sexual photos and videos of under-18 year olds with or by adults. This is a form of child sexual abuse and must be referred to the police.

- School staff are aware of how to manage sexting incidents and must pass on any incidents or concerns to the DSL.
- School staff are aware that they should never view, download or share the imagery, or ask a child to share or download – this is illegal.
- If staff have already viewed the imagery by accident (e.g. if a young person has showed it to them before they could ask them not to), report this to the DSL.
- Staff will not delete the imagery or ask the young person to delete it.
- Staff will not ask the young person(s) who are involved in the incident to disclose information regarding the imagery. This is the responsibility of the DSL.
- Staff will keep details of the incident confidential, reporting this to the DSL.

- Staff are mindful not to do anything to blame or shame any young people involved.
- The incident will be followed up by the DSL or Deputies and follow appropriate guidelines as set in (UKCCIS, 2016).
- If the DSL/ SLT must view the images, this should be discussed and done so in a private space and the reasoning behind this must be logged on the incident report.

Other vulnerable categories

All staff will have read Annex A of [Keeping Children Safe in Education](#) and be aware of specific forms of abuse and safeguarding issues and vulnerable groups of children including;

- Children in the Court system
- Children with family members in prison
- Child Criminal Exploitation
- Homelessness

For all specific safeguarding issues, DSLs will seek advice from LCC Schools Safeguarding Officers or MASH Education Officers and follow national and local guidance.
