

AQA Combined Science revision plan

The weekly tasks are designed to be split into smaller tasks over a number of days. The best revision happens little and often. Small, regular sessions of revision help to ensure you do not forget key facts. The exam questions are to help you apply your knowledge, use your revision books and notes to help you with these and don't forget to refer to the command words glossary at the front of your revision booklets to help you ensure you understand what is being asked of you.

Week commencing	Home revision task	After school revision
Monday 9th March	<p>Biology Complete the B1 mind map <i>Paper 1 revision booklet page 4</i> Recall questions B1 (Section 1 & 2) <i>Paper 1 revision booklet page 5</i> Multiple choice B1 quiz 1 <i>Paper 1 revision booklet page</i> Make flash cards for B1 topic B1 Exam questions <i>Paper 1 revision booklet page 7-8</i></p> <p>Chemistry C1 atomic structure and the periodic table mind map <i>Paper 1 revision booklet page 4</i> Recall questions C1 Atomic Structure (Section 1 & 2) <i>Paper 1 revision booklet page 6</i> Make flash cards for C1 topic Multiple choice C1 quiz 1 <i>Paper 1 revision booklet page 10</i> C1 Exam questions <i>Paper 1 revision booklet page 8-9</i></p> <p>Physics P1 energy mind map <i>Paper 1 revision booklet page 3</i> P1 energy multiple choice questions 1 <i>Paper 1 revision booklet page 12</i> P1 energy recall questions <i>Paper 1 revision booklet page 5</i> Make flash cards for the P1 energy topics P1 exam questions <i>Paper 1 revision booklet page 6-10</i></p>	 Biology
Monday 16th March	<p>Biology B2 mind map page 1 <i>Paper 1 revision booklet page 20</i> B2 Recall questions (Section 6) <i>Paper 1 revision booklet page 22</i> B2 mind map page 2 <i>Paper 1 revision booklet page 21</i> Multiple choice B2 quiz 1 <i>Paper 1 revision booklet page 30</i> Make flash cards for B2 topic B2 Exam questions <i>Paper 1 revision booklet page 24-27</i></p> <p>Chemistry C2 mind map (Ionic compounds, giant metallics structures) <i>Paper 1 revision booklet page 17</i> C2 Bonding and structure Recall questions (Section 5) <i>Paper 1 revision booklet page 18</i> Make flash cards for C2 topic C2 Multiple choice quiz 1 <i>Paper 1 revision booklet page 23</i> C2 Exam questions <i>Paper 1 revision booklet page 21-22</i></p> <p>Physics P2 electricity mind map <i>Paper 1 revision booklet page 20</i> P2 electricity multiple choice questions 1 <i>Paper 1 revision booklet page 31</i> Make flash cards for the P2 unit P2 electricity recall questions, <i>Paper 1 revision booklet page 19</i></p>	 Chemistry

	Physics – P2 exam questions <i>Paper 1 revision booklet page 23-27</i>		
Monday 23rd March	Biology B3 Mind map <i>Paper 1 revision booklet page 37</i> Recall questions (Section 10) <i>Paper 1 revision booklet page 39</i> Multiple choice B3 quiz 1 <i>Paper 1 revision booklet page 41</i> Make flash cards for the organisation topic B3 Exam questions <i>Paper 1 revision booklet page 40</i>		
		Physics	
		Chemistry Complete the C3 Quantitative Mind map <i>Paper 1 revision booklet page 28</i> Recall C3 Quantitative (Section 8) <i>Paper 1 revision booklet page 30</i> Make flash cards for C3 & C5 Complete the C5 Energy changes Mind map <i>Paper 1 revision booklet page 29</i> Recall C5 Energy changes(Section 13) <i>Paper 1 revision booklet page 31</i> C3/5 Exam questions <i>Paper 1 revision booklet page 33</i>	
	Physics Complete the P3 particle model mind map - <i>Paper 1 revision booklet page 36</i> P3 multiple choice questions 1 <i>Paper 1 revision booklet page 46</i> Physics – Make flash cards for the P3 topics Physics – Recall questions Particle model <i>Paper 1 revision booklet page 37</i> Physics – P3 multiple choice quiz 2 <i>Paper 1 revision booklet page 37-34</i> Physics – P3 exam questions <i>Paper 1 revision booklet page 38-43</i>		
Monday 30th March	Biology Complete B4 mind map <i>Paper 1 revision booklet page 46</i> Recall questions (Section 11) <i>Paper 1 revision booklet page 47</i> Multiple choice B4 quiz 1 <i>Paper 1 revision booklet page</i> Make flash cards for the B4 topic B4 Exam questions <i>Paper 1 revision booklet page 48-50</i>		
		Biology	
		Chemistry Complete the C4 Mind map <i>Paper 1 revision booklet page 42</i> Recall C4 Chemical changes (Section 9) <i>Paper 1 revision booklet page 43</i> Multiple choice C4 quiz 1 <i>Paper 1 revision booklet page 49</i> Make flash cards for the C4 topic C4 Exam questions <i>Paper 1 revision booklet page 45-47</i>	
		Physics P4 Atomic structure mind map <i>paper 1 revision booklet page 52</i> P4 Atomic structure and radiation multiple choice 1 <i>Paper 1 revision booklet page 60</i> Make flash cards for the P4 atomic structure and radiation unit Recall questions part 1 and part 2 <i>Paper 1 revision booklet page 93-51</i> Recall questions atomic structure part 3 <i>Paper 1 revision booklet page 54</i> P4 exam questions <i>Paper 1 revision booklet page 55-59</i>	

<p>Monday 6th April</p>	<p>Biology B5 – Complete the B5 Homeostasis mind map <i>Paper 2 revision booklet page 3</i> Recall Questions (Section 12 Nervous System) <i>Paper 2 revision booklet page 5</i> Multiple choice B5 Homeostasis and Response quiz 1 <i>Paper 2 revision booklet page 10</i> Make flash cards for the B5 Homeostasis and response topic Biology - B5 Exam questions <i>Paper 2 revision booklet page 7-8</i></p> <p>Chemistry Complete the C6 Rates of reaction Mind map <i>Paper 2 revision booklet page 3</i> Recall C6 Rates of reaction (Section 14) <i>Paper 2 revision booklet page 4</i> Make flash cards for the C6 rates unit Multiple choice C6 quiz 1 <i>Paper 2 revision booklet page</i> Chemistry - C6 Exam questions <i>Paper 2 revision booklet page 5-7</i></p> <p>Physics Forces mind map <i>Paper 2 revision booklet page 6</i> P5 Forces multiple choice 1 <i>Paper 2 revision booklet page 17</i> Physics – Make flash cards for P5 forces Physics – Recall questions forces part 1 & part 2 <i>Paper 2 revision booklet page 8</i> Physics – P5 exam questions <i>Paper 2 revision booklet page 10-14</i></p>	<p>Chemistry</p>
<p>Monday 13th April</p>	<p>Biology B6 Complete the B6 Inheritance, variation and evolution mind map <i>Paper 2 revision booklet page 18</i> Recall questions (Section 14 Reproduction) <i>Paper 2 revision booklet page 20</i> Multiple choice B6 inheritance, variation and evolution quiz 1 <i>Paper 2 revision booklet page 26</i> Make flash cards for the B6 topic B6 Exam questions <i>Paper 2 revision booklet page 24-26</i></p> <p>Chemistry Recall C7 Organic chemistry (Section 17 & 18) <i>Paper 2 revision booklet page 14</i> Complete the C7 Organic Chemistry Mind map <i>Paper 2 revision booklet page 13</i> Multiple choice C7 quiz 1 <i>Paper 2 revision booklet page 17</i> Make flash cards for the C7 topic C7 Exam questions <i>Paper 2 revision booklet page 15-16</i></p> <p>Physics P6 waves mind map <i>Paper 2 revision booklet page 24</i> P6 waves multiple choice 1 <i>Paper 2 revision booklet page 34</i> Make flash cards for P6 waves P6 recall questions waves part 1 & 2 <i>Paper 2 revision booklet page 25</i> P6 recall questions waves part 3 <i>Paper 2 revision booklet page 26</i> P6 exam questions <i>Paper 2 revision booklet page 27-31</i></p>	<p>Physics</p>

<p>Monday 20th April</p>	<p>Biology Complete the B7 Ecology mind map <i>Paper 2 revision booklet page 33</i> Recall questions (Section 18 Adaptation and organisation) <i>Paper 2 revision booklet page 38</i> Multiple choice B7 quiz 1 Ecology <i>Paper 2 revision booklet page 42</i> Make flash cards for the B7 topic B7 Exam questions <i>Paper 2 revision booklet page 39-40</i></p> <p>Chemistry Complete the C8 Mind map <i>Paper 2 revision booklet page 20</i> C8 Chemical analysis Recall questions (Section 19) <i>Paper 2 revision booklet page 21</i> Multiple choice C8 Quiz 1 Chemical analysis <i>Paper 2 revision booklet page 26</i> Make flash cards for the C8 topic C8 Exam questions <i>C8 Exam questions Paper 2 revision booklet page 23-25</i> Complete the C9/C10 mind map <i>Paper 2 revision booklet page 31</i> Recall questions C9 chemistry of the atmosphere (Section 21) <i>Paper 2 revision booklet page 32</i> Recall questions C10 Earth's Resources (section 24) <i>Paper 2 revision booklet page 33</i> Make flash cards for the C9 topic Make flash cards for the C10 topic</p> <p>Physics P7 Mind map <i>Paper 2 revision booklet page 40</i> P7 Magnetism multiple choice section 1 <i>Paper 2 revision booklet page 46</i> Make flash card for the P7 magnetism unit P7 magnetism recall questions <i>Paper 2 revision booklet page 41</i> P7 multiple choice 2 <i>Paper 2 revision booklet page 47</i> P7 exam questions <i>Paper 2 revision booklet page 42-45</i></p>	
<p>Monday 27th April</p>	<p>Biology B1 Recall questions (Section 4 & 5) <i>Paper 1 revision booklet page 6</i> Multiple choice cells quiz 2 <i>Paper 1 revision booklet page 13</i> Multiple choice organisation quiz 2 <i>Paper 1 revision booklet page 31</i> RP 1 microscopy <i>Paper 1 revision booklet page 9</i> RP2 Osmosis <i>Paper 1 revision booklet page 10</i> B2 Recall questions (Section 7 & 8) <i>Paper 1 revision booklet page 23</i> RP 3 Food tests <i>Paper 1 revision booklet page 28</i></p> <p>Chemistry Recall questions C1 (Section 3) <i>Paper 1 revision booklet page 7</i> Multiple choice quiz C1 quiz 2 <i>Paper 1 revision booklet page 11</i> C2 quiz 2 <i>Paper 1 revision booklet page 24</i> Recall questions C2 (Section 6) <i>Paper 1 revision booklet page 19</i> Recall questions C2 (Section 7) <i>Paper 1 revision booklet page 20</i> Required practical 3 energy changes <i>Paper 1 revision booklet page 34</i> Chemistry – Recall questions C4 (section 10) <i>Paper 1 revision booklet page 44</i></p>	<p>h</p>

	<p>Physics Required practical 1 specific heat capacity <i>Paper 1 revision booklet page 11</i> P1 multiple choice quiz 2 & 3 <i>Paper 1 revision booklet page 13&14</i> Energy knowledge quiz <i>Paper 1 revision booklet page 15</i> Required practical 2 Resistance <i>Paper 1 revision booklet page 28</i> Required practical 3 IV characteristics <i>Paper 1 revision booklet page 30</i> Multiple choice quiz 2&3 <i>Paper 1 revision booklet page 32-33</i> Physics – Electricity knowledge quiz <i>Paper 1 revision booklet page 34</i></p>	
Monday 4th May	<p>Biology RP 4 Enzymes <i>Paper 1 revision booklet page 29</i> Recall questions (Section 10) Infection and response multiple choice quiz 2 <i>Paper 1 revision booklet page 47</i> Bioenergetics multiple choice quiz 2 <i>Paper 1 revision booklet page 52</i> RP 5 Photosynthesis <i>Paper 1 revision booklet page 50</i> Mixed paper 1 exam questions <i>Paper 1 revision booklet page 56 onwards</i></p>	
		Chemistry
	<p>Chemistry Required practical 1 making salts <i>Paper 1 revision booklet page 47</i> Required practical 2 electrolysis <i>Paper 1 revision booklet page 48</i> Knowledge quiz atomic model and periodic table <i>Paper 1 revision booklet page 12-13</i> Knowledge quiz Bonding and properties <i>Paper 1 revision booklet page 25</i> knowledge quiz energy in reactions <i>Paper 1 revision booklet page 38</i> Knowledge quiz chemical changes <i>Paper 1 revision booklet page 50-51</i> Mixed paper 1 exam questions <i>Paper 1 revision booklet page 52-55</i></p>	
	<p>Physics Required practical 4 density <i>Paper 1 revision booklet page 44</i> P3 multiple choice 2 and 3 <i>Paper 1 revision booklet page 47 -48</i> P3 knowledge quiz <i>Paper 1 revision booklet page 49</i> P4 multiple choice 2 and 3 <i>Paper 1 revision booklet page 61-62</i> P4 knowledge quiz <i>Paper 1 revision booklet page 63</i> mixed paper 1 exam qs <i>Paper 1 revision booklet page 64-72</i></p>	

Exams start

Continue to use the resources in the booklets to help you revise. Focus on the required practicals and the recall of key knowledge along with exam questions.

Biology paper 1: Tuesday 12th May

Chemistry paper 1: Monday 18th May

Physics paper 1: Tuesday 2nd June

Biology paper 2: Monday 8th June

Chemistry paper 2: Friday 12th June

Physics paper 2: Monday 15th June
