Dear parent / carer,

Re: Careers Information Advice and Guidance at CLHS

The accompanying newsletter is the first edition of our CLHS Careers Newsletter. This outlines many of the opportunities that are available to your child in the coming months and details what many of the local sixth forms and colleges are offering in term of virtual tours, open evenings and course introductions. You will also find the relevant dates, information about courses offered and procedures to follow for applications.

In addition, there is a number of links to careers events which are taking place which may be of interest to you.

If you require any further advice or information, please look on the CEIAG section on the school website or I can be contacted directly via email and, as always, we will be keeping you up to date via our social media platforms.

Yours sincerely,

J. Cottam
