

Half Term 1 House Captain's Blog

Welcome back , I am so excited to be starting this term of as your House Captain for Clougha House and I am very grateful for the opportunity to be your House Captain .

This year has looked very different in school with the changes that have been put in place to help keep everybody safe.

The use of the central line, windows and doors kept open, year groups staying in their allocated area for lessons, breaks and dinner times and the use of pre ordering at dinner time has helped to keep everybody safe as much as possible. I am very pleased to see how everyone has adapted to these unusual changes.

Also school reopening has had a positive impact on our wellbeing! I for one have missed not seeing everybody for 6 months and I am glad to be back.

Clougha has chosen to support local charity, Marsh Community Centre, it is a vital service and is a place to go and seek support for whatever you need. Clougha have managed to raise a total of £84.60 during half term one.

I am over the moon to be chosen To be chosen as house captain and I am looking forward to making some positive contributions to the house system and to our school. I understand that we are in unprecedented times but we must all stick together follow the three Cs and keep our school the positive CLHS family we all are.
