

Halton House Half Term 1 Report

Hi, my name's Henry, and I am the house captain of Halton. However, this doesn't mean that I am in charge of everything around here unfortunately, that responsibility falls in the ever so capable hands of Mr Moore.

Already this year we've been very busy with weekly house challenges. Firstly, we got equipped by showing up in the House hub with all of our equipment. Other challenges have included gathering unusual science facts, litter picking and saying thank you to someone we feel has helped us in some way throughout our time at CLHS.

For charity, we have continued to 'Chuck in our Change' for the North West Air Ambulance. We have brought yellow ribbons in aid of the children's cancer charity and Andrea Pazstor in 9Halton brought home the first House £5 prize for Macmillan's World Biggest Coffee Morning

competition with an impressive yellow Halton Cake. No soggy bottoms for us in the Halton heroes, and a massive thanks to all the Halton students who contributed. We won £5 for our House which goes into our Rewards Trip account.

Finally, we'd like to welcome all our new year 7 students in Halton 1 and 2 as well as those from other year groups. We also welcomed back Mrs Redhead and Ms Holmes from maternity leave and said a big Halton Hello to Ms Morris. It has been a busy half term but we'll all looking for to another Halton Half term with lots to do in half term two!
