

Home School Agreement

We, as school, are committed to provide an excellent educational experience for your son or daughter and ask you to pledge support in a number of ways that are outlined in this home school agreement. As a result we will be working together to make sure your child succeeds in all aspects of their life.

As an academy, we agree within a supportive and caring environment:

- to provide a secure, happy and safe place for your child to work in
- to help your child to develop as an individual, knowing right from wrong and adopting positive attitudes that will last his/her whole life
- to provide an education that meets your child's needs and prepares him/her for life beyond school
- to provide records and information in the grade cards that show how your child is progressing
- to arrange consultation evenings with teachers and be happy to see you by appointment when you have concerns or questions
- to do our best to make sure your child is working hard and using his or her ability to the full
- to let you know if your child is having difficulties in school or we are concerned about health and wellbeing
- to set regular homework and encourage pupils to learn for themselves inside and outside school.
