

Clougha House Half Term 1 Report

It's been a great start to another new school year! So far Clougha really have shown that they **can**. We welcomed the new Year 7s who have thrown themselves into all that is Clougha. Our clan is expanding!

So far we have had 6 weekly challenges and Clougha have won 3 of them! We have been busy thanking staff and students; bamboozling Mrs Middleton with our crazy science facts, showing our full equipment for points; litter collecting and performing random acts of kindness.

The highlight of the half term has to have been the cake sale in aid of Macmillan Cancer Research and we raised a staggering £394 in one hour. Move over the Great British Bake Off... we have a fair few in the Clougha Clan who would have received a Paul Hollywood handshake for our cake creations!

With regards attendance, Clougha are right up there and we are keeping Mr Hall busy in the school canteen preparing celebratory breakfasts for the forms who have achieved 100% for the whole week.

What has been an incredibly fun-packed half term

finishes with a flourish next week when the students experience their first SHINE day. We are being inundated with visitors from various sectors who will be working with the differing year groups to enhance the curriculum.

On Thursday 7Clougha will be testing their sporting prowess at Chill Factore – photos of their skills will be available in the next edition of Focus magazine... along with other images of this half term's highlights.

In the meantime Clougha Clan – please keep your 1p, 2p, 5p and 10p rolling in for Macmillan Cancer Charity – we are leading the “Chucking the Change Charity” competition so far. Every penny really does count.

As House Captain I am immensely proud of all Clougha's achievements so far this year. Here's to the rest of 2019. Have a wonderful half term holiday everyone. Natasha Hough (House Captain).
