Dear Parent or Carer

Re: YEAR 11 Intervention

As part of the on-going preparation for next summer's GCSE exams, a rolling programme of intervention lessons will start week commencing Monday 16th September. These intervention sessions will run every Tuesday and Wednesday after school from 3.05pm – 3.45pm and they are compulsory for those pupils who have been identified.

Over the past few years these types of additional, subject specific sessions have had an essential and proven impact on results. Students have recognised the effect on their knowledge, preparedness and overall confidence going into exams.

It is very much expected that Year 11 students engage fully with these sessions as they provide an opportunity to revise, consolidate and build on their subject knowledge prior to their Summer GCSE exams.

All information about which subject(s) and where will be communicated to your child through their House Tutor.

Please feel free to contact me with any concerns or queries regarding intervention.

Yours sincerely

Matthew Williams
