1st October 2021

Dear Parent or Carer,

Re: New pupil groupings in year 7 from 4th October 2021

Following internal assessment in English and maths, and the Cognitive Ability Tests (CATs) your child completed, there will be movement to new class groupings from 4th October. Some of our groupings are streamed based on academic ability, and these include English and maths, however other groupings are mixed ability and these include art, music, technology and PE classes. This mixed approach will ensure that your child receives the level of challenge and support they require.

Pupils will be issued with new timetables on Friday 1st October and will be in new groupings from Monday 4th October.

If you have further questions regarding your child and the progress they are making, in the first instance please contact your child's house tutor.

Yours sincerely

David Chapman
Acting Vice Principal
