

On my arrival to school in June, I began my letter explaining how privileged I felt to be given the opportunity to lead this wonderful school. Over the last half term, it has been a joy to meet all of my new colleagues and many of our pupils, who have worked exceptionally hard across this half term. It has been genuinely fantastic to see our pupils flourish within lessons, as well as the extracurricular opportunities provided. It is therefore a further privilege of mine to draw the school year to a close below and remind you of the exciting year to come. Pupils returning to school in September will join us at Lancaster High School, acknowledging our position as the comprehensive secondary school of choice in our city, with our new core school values of Ambition, Kindness and Service. I am excited to welcome pupils through the door in September, who will be wearing our new uniform and new school logo with pride.

### RE Notification of changes to fares on Stagecoach buses in North Lancashire from 16<sup>th</sup> July 2025

I write as a courtesy to inform you that fares are changing on bus services provided by us with effect from 16<sup>th</sup> July. These changes affect local service buses and not dedicated school buses.

I am aware that some students rely on our buses to travel to and from school, and in some cases are given specific change by parents or guardians to pay for bus travel.

In order to avoid situations where children may not have the correct fare to pay for their journey to school, I would be grateful if you could distribute information about this change to fares as you deem appropriate.

Details of the changes are provided below and more information can be viewed on our website or via our journey planner.

#### Single tickets:

Most single tickets will see no change in price. Those single tickets priced at £2 (£1.30 child) & £2.30 (£1.50 child) will increase by 10p. All other single tickets will remain frozen in price. **The maximum price of a single journey will remain capped at £3.**

#### DayRider/Explorer Tickets:

Area	Young Person
Bay DayRider	£4.30
Lancashire DayRider	£5.70

For details of academic tickets please see the 'CollegRider Tickets' section of our website. For details of MegaRider tickets please see the 'MegaRider' section of our website.

Thank you in advance.
