A word of thanks from Moorside

'Thank you to CLHS and the wonderful Miss Edge for supplying Moorside Primary School and the Lancaster Sports Association with 5 fabulous referees for our local Football competitions this week.

The 3 girls and 2 boys were fantastic ambassadors for the school with 2 of girls having previously supported these competitions before, always doing an amazing job, which we are all truly grateful for as it allows us to manage and support our teams knowing these games are being well managed by the children from your school.

We really appreciate it and hopefully they enjoyed the experience. Refereeing is not an easy role to undertake, but an important one, as without them the competitions wouldn't run as smoothly.'

Year 11 English and Maths Revision Support

There are detailed daily revision support plans on the Year 11 page of our school website for maths and English. It is vital that ALL pupils follow these plans to support their effective preparation for the summer exams. All pupils have been given paper booklets to support them completing the tasks, most of which have links to video clips that give specific tuition. Should your child not be accessing these materials, please contact us immediately so we can support them to do so.

Year 11 Easter Revision sessions

We are delighted to be able to offer a programme of Easter revision sessions for Year 11 pupils over the Easter break. Further details regarding the entry to school site and sign in will follow in an announcement for Year 11 Parents on Class Charts and will be in our next parent Newsletter.
