🌟 AMAZING START TO OUR ACTION-PACKED HALF TERM! 🌟

What an incredible burst of energy and enthusiasm we've seen from ALL our wonderful pupils so far this half term! Despite being shorter than usual, our school community has been buzzing with activity and achievement!

🌟 Community Creativity Unleashed! 🌟

Our partnership with Escape to Make is in full swing, bringing exciting hands-on projects that are sparking imagination and innovation throughout our school. Stay tuned for the amazing creations our talented pupils are developing!

🔬 Spectacular Science Kickoff! 🔬

We launched into the term with mind-blowing science workshops that had pupils experimenting, discovering, and thinking like real scientists. The engagement and curiosity on display was truly inspiring!

📝 Year 10 Stars Shine in Mock Exams! 📝

A huge well done to our Year 10 pupils who approached their first mock examination series with exceptional preparation and commitment. The maturity and focus they demonstrated sets an excellent foundation for their future success.

🏆 Year 11s Racing Toward the Finish Line! 🏆

Our Year 11 pupils have been absolutely phenomenal in their dedication to GCSE preparation. With examinations now underway this week, we couldn't be prouder of their determination and hard work. You've got this, Year 11!

Remember to check our website for upcoming events and ways to support our amazing pupils as they continue to excel.

Together, we're making every moment count in this action-packed half term!

Good Luck!

to Year 10 for their work experience placement next week! We look forward to visiting you on your placements.

Year 11 Exams

Year 11 pupils have now started their summer exams. A full copy of the examination timetable can be found on our dedicated Year 11 website page via the link below.

Year 11 Revision

Support with final maths and English revision plans and resources can be found via the link above. In addition, there are details of in school revision sessions that we strongly recommend pupils attend. Should you have any questions regarding the exams please do not hesitate to contact Mr Auger via the school office.

Year 10 Mock examinations

We are pleased to be able to report that Year 10 pupils applied themselves exceptionally well to their first set of mock examinations. We will be holding a mock examination results breakfast event on Wednesday 21 May. Copies of the mock examination results card will sent to parents / carers just after pupils have received them.

Key Stage 3 End of Year Examinations

Pupils in Key Stage 3 will be sitting their end of year examinations in all subjects from Monday 9 – Friday 20 June. Pupils will be given specific guidance on what and how to prepare for these exams from their class teachers. In the final grade card for this year, parents/ carers will receive an overall percentage for each exam and an indication as to whether the pupil is working at, below or above the expected end of year standard.

Industrial Cadets Project

Since January, 8 pupils have been working towards an Industrial Cadets Bronze Project and certification, of which HRH King Charles is the patron of the award, delivered through the Engineering Development Trust (EDT). Over a 16-week period, two teams of Year 8 and Year 9 pupils took on the 'Our Green Garden' challenge – a sustainability-focused design brief to reimagine an outdoor school space into an accessible, and community-focused haven. The project aimed to develop key skills in teamwork, research, communication, and project management. Pupils completed a conceptual design for a garden on school grounds. This work included a model, report, PowerPoint and presentation.

On 1 May, 5 Year 8 pupils and 3 Year 9 pupils took part in the Industrial Cadet's regional celebration event held at the University of Cumbria. Both teams presented their industrial cadet project to a panel of assessors. This was a fantastic opportunity for both teams to present their 'Green Garden' concepts and gain valuable feedback on their project. Both teams demonstrated our school values tremendously, showing commitment to teamwork. Displaying creativity in their models and presentations, focusing on community and how their garden could benefit our school community. The assessors judged the work based on teamwork and how well the brief had been interpreted.

We are delighted to share that our Year 8 team won the 'Project of the Year' award and became Bronze Industrial Cadets!

Congratulations to Ewan, Evangel, Beatie, Katie and Sophie. Extended congratulations go to Charlotte, Aimee and Carys for becoming Industrial Cadets, achieving the bronze award and thank you to Miss Dickson for organising the event and supporting the pupils through this fabulous opportunity.
