Year 10 Work Experience

Year 10 work experience has been a resounding success this week with lots of positive feedback coming back from employers. Our pupils have applied themselves really well and have left a very positive impression of themselves and the school. Thank you to all pupils and to Miss Cottam and Miss Lilley for all of their hard work in arranging the week.

Below are some examples of the fantastic feedback we have received:

Euan H was a Trainee Technician at - Rinicom Ltd: "Euan has been a credit to Central Lancaster High School and has demonstrated a real 'can do attitude'

Connor L was a General Assistant at Co-op Foodstores: "Connor's enthusiasm for the role is second to none, if he carries on like this he will be successful in his future"

Owen G was a Trainee Designer at In the Eye Media – "We are really impressed with his creativity."

Ashley W was a Trainee Butcher at Gregory Williams Butchers: "Ashley is a diamond!"

Eden Project North

Architecture students from Lancaster University came into school on Tuesday to work with a group of our pupils to build our very own Eden Dome. We are going to continue to work with the Bay Curriculum and Lancaster University over the coming year to decide how we want to use the dome and perhaps to start growing our own vegetables!

Mental Health and Wellbeing

Think about doing a physical activity - together we can tackle loneliness

Physical exercise can help with loneliness. It can be as simple as having a walk in the park when you're feeling a bit overwhelmed. Try to engage with the people you meet in your daily life.

It can be hard to talk to others when you're feeling lonely. However, trying to connect with the people you meet as you go about your day can be helpful. Even catching someone's eye and saying "hi" as you walk along can make you feel better. Or it could be about saying hello to the postwomen or postman or going to the shops and talking to the person at the checkout. By sharing a polite greeting – you might find you give someone else a positive lift too.

Rounders Match Report

On Wednesday 15 June, our Year 8 rounders team travelled to Morecambe Bay Academy (MBA). It was a glorious day and our pupils felt confident going into the game after some brilliant performances in our practice sessions.

After the first innings CLHS were leading 9 runs to 6 runs. Pupils felt confident going into the second innings with some excellent hits from **Ava W**, **Leah B** and **Darniah G** it put CLHS in a good position going into their final innings as fielders. MBA struggled to score rounders with some brilliant teamwork and communication from **Abigail W**, **Demi A** and **Eyad A**.

A fantastic catch from **Caitlin S** at backstop saw MBA's players reduce quickly.

The final score was 16-12 to CLHS making it the 2nd consecutive victory for our year 8 rounders team. Well done to all pupils involved and to **Darniah G** who was awarded player of the match by MBA.

Year 7 Cricket tournament

Our Year 7 boys travelled the short distance to Lancaster Boys Grammar School to take part in the district cricket tournament. For nearly all of the boys, this was their first ever cricket game. They were a credit to the school and themselves and came back 5th out of 6.

For our first game, we played against LRGS and bowled first. **Liam A** managed to bowl their batsman out and then took an awesome catch to put the pressure on. **Jayden P** also bowled really well, making sure that the Grammar score was kept low. It was then our turn to bat. It took the boys a few overs to get their eye in but once they did they were able to hit boundaries and get some runs on the board. In our 2nd game we played against Ripley St Thomas who had a lot more experience than us. They posted a big score and we gave it a really good go, hitting a lot more boundaries but sadly coming up short. Our final game saw us play Bay Leadership Academy and we came away with a win. **Ethan C** getting a quick single with just one ball left in the game.

It was a great experience for the year 7 boys and they will have learned a great deal which we can take into next years competitions.

Well done to the following forms for having the highest attendance last week:

Year 7: Clougha
Year 8: Clougha

Year 10: Clougha
Year 11: Clougha

Food corner

As we head into the summer, one of the tasks for our KS4 groups was to design a picnic that was quick, could be prepared by children, was healthy and perhaps most importantly was tasty. Below are some of the chosen recipes they went with. Please give them a go at home.
