

STOREY HOUSE

Student Leaders

Hi, my name is Harry and as Storey's House Captain it is my role to support my Head of House in communicating to the school and wider community and to assist in the organisation of House events. This year, I hope to develop the House system along with the other student leaders and continue to work to make Central even better.

My name is Jasmine and I am the Sports Captain. My favourite part of the House system is the competitions because everyone can get together and work as a team. My role this year will be to continue to promote pride in belonging to Storey; something I helped with as part of my committee role last year.

My name is Amy and I am part of the three C's Committee, leading in Community. I like the House system because it gets everyone involved in school life. As part of my role this year, I want to make sure that everyone feels included. I really hope that Storey House can win 'House of the Year' again!

Hi, my name is Yusuf and my role as Deputy Captain is to support my team and represent the school by being a role model to younger students. The House system is great because it creates a feeling of being part of something and helps makes lunch times more interesting because of the many house challenges. This year I hope Storey can aim high and become the two time reigning champions of House of the Year, and go on to raise even more money for our charity, Shelter. We raised over £500 last year!

My name is Grace and my role in Storey is to embody the 3 C's. I am committed to my education, my sporting goals, and my House. I will assist the teachers in House challenges and offer my help wherever it is needed. I like the house system because it creates a competitive yet positive atmosphere. In turn this creates team spirit, not to mention it is good fun for the teachers and the students. I aim to encourage as many people in our House to take part in house challenges as well as always try to embody our values in and outside of school.

Hi, I'm Mollie and my role in Storey is to lead Creativity in the 3C's. As part of my role I will assist in decision making and help lead creative house challenges. I like the house system because it gives pupils a chance to be part of a supportive, friendly group who will encourage each other to be their best. This year, I hope that Storey can come together and win House of the Year for the second year in a row!

A welcome to our new staff and students:
Welcome to Central Lancaster High, you are extremely lucky to now be part of our school. All of our teachers are supportive, understanding and inspire us all to be our best selves. Get ready because your competitive spirits are going to come alive with a House challenge around the corner to stoke those fires! You're going to have a lot of fun here at Central.
Grace

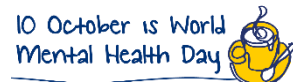

*Already this term we have been showing our charitable spirit. We raised **£117** by buying gold ribbons to wear on our uniform for the **Teenage Cancer Trust**. This is a charity for cancer care and support that helps to improve the experience for young people aged 12-24 and their families.*
Amy

Storey has recently won the community litter pick competition - well done to everyone who took part! A huge congratulations to 7Storey who have received 100% attendance twice this half term. Both 11Storey and 7Storey were rewarded with a free breakfast. Keep it up!
Harry

We had a wonderful week celebrating mental health, coinciding with world mental health day. After half term there will be weekly student wellbeing drop in sessions held by our team of student Mental Health Ambassadors.

Jasmine

Shelter

*Each morning students and staff in Storey house have the opportunity to contribute to 'chuck in the change'. This is when they can give any spare change to our charity; **Shelter**. Shelter helps millions of people every year struggling with bad housing or homelessness through advice, support and legal services. They campaign to make sure that, one day, no one will have to turn to them for help. Last year, we raised over **£520** and this year hope to beat that total with a fundraising event!*
Mollie

On Friday 27th September Clougha House hosted their own **MacMillian** Coffee morning. The whole school got involved and baked cakes to sell- some were even House colours and themes! Andrea in Halton wowed everyone with her Halton logo cake- a worthy winner of the challenge. In just one day, we raised a brilliant **£397** for Macmillan.

Yusuf
