

# STOREY HOUSE

At Central we have many weekly house challenges which students are encouraged to take part in. So far, Storey has won a Commitment challenge (requiring the most correct equipment and uniform as a house), and a community challenge (a school littler pick). Storey also won the Christmas song challenge where students had to identify five Christmas charity songs and research each of them before picking a favourite. Thank you to everyone in Storey who has helped towards these victories- can we get more next term?

Other challenges have included: designing Christmas baubles; designing a dessert for the canteen; mental health awareness; a history quiz and creating a Haiku. Well done to the other houses for their successes.

This term the whole school has continued to show the charitable and caring nature that we have. We have raised money for a number of causes including:

<b>MacMillan coffee morning</b>	<b>£397</b>	<b>Diabetes UK</b>	<b>£129</b>
<b>Mind Crafternoon</b>	<b>£222</b>	<b>Poppy Appeal</b>	<b>£185.55</b>
<b>Children in Need</b>	<b>£430.82</b>	<b>NW Air Ambulance</b>	<b>£175.10</b>
<b>Teenage Cancer Trust</b>	<b>£117</b>	<b>Breast cancer awareness</b>	<b>£494.60</b>

This is in addition to donations to Animal Care, Leon's Garden and the Morecambe Bay Foodbank along with the House charities. Thank you to everyone who has helped to raise all of these incredible donations.

## Central's Christmas Review

This year's Christmas show provided a lot of joy to Central and showcased a lot of talent- including many Storey students! It demonstrated the wonderful creativity, as well as the commitment it takes to be part of such a well-polished performance. The audience were wowed with the singing, dancing and musical talent and got to vote for the best staff House video- well done Halton house on winning this! Money raised from refreshments has gone towards funding the year 7 trip to London in the Summer term.

Christmas is a time of wealth and prosperity for many, enjoying the gifts and the company of others. However, for those living on the streets it is one of the most challenging times of year. Storey's house charity, Shelter is working to make sure that the numbers of homeless are reduced, and to improve the living conditions of many families around the country.

Shelter have shared the story of Rhys, who suffered the challenges of homelessness at winter.

*The winters are the worst. People don't wake up in those temperatures, they go to sleep and they die...it's something I'm still trying to get over.* Rhys.

Rhys was homeless for two years but thanks to Shelter, he was able to find a safe, warm flat. Shelter also helped him to build his CV so he could start looking for jobs.

We have currently raised £84 for Shelter by donating spare change and are looking forward to hosting a fundraising event later this year.
