

## The Bay Learning Trust Scheme of Delegation: Autonomous School

## Scheme of Delegation

This Scheme of Delegation outlines the delegated responsibilities between the key governance tiers within **The Bay Learning Trust** ("the Trust") – the Members of the Trust, MAT Board, Chief Executive Officer, Local Governing Committees and Headteachers. This summary is designed for use by governance stakeholders within the Trust and external regulators, including Ofsted and the Education & Skills Funding Agency ("EFSA").

## Summary of governance structure

Within the Trust, the overarching approach to delegations for each governance tier is as follows:

- Members Members have responsibility for ensuring that the charitable purpose of the Trust is pursued. They have a limited and distinct role as set out in the scheme of delegation below.
- MAT Board The MAT Board holds the ultimate legal accountability for all aspects of operation delivery, policy and decision making. They oversee the management and administration of the Trust and the academies within it. The MAT Board will deal with non- delegated key matters such as strategic direction, vision and values and educational targets.
- CEO Holds delegated responsibility from the MAT Board to manage the day to day activities of the Trust.
- Local Governing [Bodies/Committees] LGCs hold delegated power from the MAT Board at school level to make decisions and scrutinise at a local level.
- Headteachers The Headteachers within the Trust are responsible for all aspects of the day to day running of their setting and operational delivery of school improvement plans.

A multi academy trust's board of trustees is accountable in law for all major decisions about all the schools within the Trust. However, this does not mean that the board is required to carry out all the Trust's governance functions and many functions can and should be delegated elsewhere, including to the CEO, the board's committees, and to LGCs.

At all levels of delegation, the MAT Board retains the right to withdraw delegation of certain responsibilities or functions if performance in the delegated area is a cause for concern or there is a need to refocus the delegated powers to secure rapid improvements. For example, if a school's leadership and management is judged to be inadequate, the Trustees may wish to take responsibility for governance at a local level to ensure the correct support and scrutiny is in place.

The decisions as to which powers the board has delegated are recorded in the table below. This allows individuals and groups to act promptly when such power is within their remit.

## Reading the grid

X - action to be undertaken at this level

A - provide advice and support to those with decision making power </>- Demonstrates which way up/down the decision chain the advice must be provided Note: Decisions retained by the MAT Board may be delegated to the Risk and Audit Committee but not to the CEO, LGC or Headteacher
